Bidders Please Note: Before preparing this bid schedule, read carefully, "Information to Bidders", "Supplementary Information to Bidders", and the following:

The Bidder shall insert a fixed price in figures opposite each pay item that appears in the bid schedule. No price is to be entered or tendered for any item not appearing in the bid schedule. Write out the dollar amount in the space below the figure.

Conditioned or qualified bids will be considered non-responsive.

NOTICE: In order to establish a clear and definitive basis of award, the State has established a budgeted project amount from which the order of bidders will be determined. The amount will be announced just prior to opening bids. The low bid will be determined by considering the Basic Bid and Additive Alternate(s) as adjusted for Alaska Bidders Preference (col. b), Alaska Veteran's Preference (col.c) and Alaska Products Preference (col.d) in the order listed up to a total not to exceed budgeted Award amount less the low bidder's preferences. The basis of Award does not obligate the State to Award either the Basic Bid or any Alternate(s). The state reserves the right to reject all bids. The state also reserves the right to award the contract in excess of the budgeted amount to the low bidder based on any combination of alternates or not alternates, providing that the low bidder remains unchanged. After the low Bidder has been determined, the final contract award will be for the unadjusted amount(s).
