SECTION 1. INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE RFP

The Department of Health, Division of Public Health, is soliciting proposals to facilitate the statewide implementation of the Home Visitor’s Alliance (HVA) for early childhood home-visiting professionals. The primary focus is establishing and maintaining a coalition to facilitate essential components such as professional development, family engagement, program planning, and staff recruitment and training. The HVA must be connected to a statewide coordinated intake and referral service (CIRS) to ensure a referral pathway for all families eligible for home visiting services in their communities.

SEC. 1.02 BUDGET

Department of Health, Division of Public Health, estimates a budget of \$500,000 for completion of this project. Proposals over \$70,000 for Year One (1), proposals over \$130,000 for Year Two (2), and \$500,000 total will be non-responsive.

Payment for the contract is subject to funds already appropriated and identified.

SEC. 1.03 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must be received no later than **2:00 PM prevailing Alaska Time on June 17, 2025**. Late proposals or amendments will be disqualified and not opened or accepted for evaluation.

SEC. 1.04 MANDATORY REQUIREMENTS

To be considered responsive for this RFP, an offeror must meet the mandatory minimum requirements that are provided in **Submittal Form E – Mandatory Requirements. Failure to meet all these requirements will result in immediate disqualification.**

SEC. 1.05 REQUIRED REVIEW

Offerors should carefully review this solicitation for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material should be made in writing and received by the procurement officer at least ten days before the deadline for receipt of proposals. This will allow time for the issuance of any necessary amendments. It will also help prevent the opening of a defective proposal and exposure of offeror's proposals upon which award could not be made.

SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF PROPOSALS

All questions must be in writing and directed to the procurement officer and least ten days before the deadline for receipt of proposals. The interested party must confirm telephone conversations in writing.

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the RFP. The procurement officer will make that decision.

SEC. 1.07 RETURN INSTRUCTIONS

Offerors must submit their proposals via email. The technical proposal and cost proposal must be saved as separate documents and emailed to doh.procurement.proposals@alaska.gov as separate, clearly labeled attachments. The email must contain the RFP number in the subject line.

The maximum size of a single email (including all text and attachments) that can be received by the state is 25mb (megabytes). If the email containing the proposal exceeds this size, the proposal must be sent in multiple emails that are each less than 25 megabytes.

Please note that email transmission is not instantaneous. Similar to sending a hard copy proposal, if you are emailing your proposal, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror's responsibility to contact the above email address to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

SEC. 1.08 ASSISTANCE TO OFFERORS WITH A DISABILITY

Offerors with a disability may receive accommodation regarding the means of communicating this RFP or participating in the procurement process. For more information, contact the procurement officer no later than ten days prior to the deadline for receipt of proposals.

SEC. 1.09 AMENDMENTS TO PROPOSALS

Amendments to or withdrawals of proposals will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of proposals. No amendments or withdrawals will be accepted after the deadline unless they are in response to the state's request in accordance with 2 AAC 12.290.

SEC. 1.10 AMENDMENTS TO THE RFP

If an amendment is issued before the deadline for receipt of proposals, it will be provided to all who were notified of the RFP and to those who have registered with the procurement officer after receiving the RFP from the State of Alaska Online Public Notice website.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

SEC. 1.11 RFP SCHEDULE

RFP schedule set out herein represents the state's best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of proposals, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Time.

Upon written notice to the contractor, the state may set a different starting date for the contract. The state will not be responsible for any work done by the contractor, even work done in good faith, if it occurs prior to the contract start date set by the state.

SEC. 1.12 ALTERNATE PROPOSALS

SECTION 2. BACKGROUND INFORMATION

SEC. 2.01 BACKGROUND INFORMATION

The Alaska Maternal, Infant, and Early Childhood Home Visiting (MIECHV) program is part of a broader federal effort to support vulnerable populations, particularly at-risk pregnant women, parents, and young children. MIECHV's focus is on enhancing the well-being and development of families during critical early years.

The program allocates federal funding to various entities, including states, territories, and tribal organizations, to facilitate the implementation of evidence-based home visiting programs. These programs are specifically designed to address the unique challenges families face in diverse communities and strive to create positive outcomes in multiple areas. Through home visits, trained professionals provide personalized support and resources to improve maternal and child health, promote healthy child development, and ensure children are prepared for school.

Additionally, MIECHV initiatives work to reduce the incidence of child abuse and neglect, creating safer environments for children to grow and thrive. Another essential aspect of the program involves fostering family self-sufficiency, which empowers families to achieve financial stability and enhances their overall quality of life.

The Home Visitor's Alliance (HVA) will serve as a statewide resource to provide professional support, resources, and connections for home visiting professionals across Alaska. This initiative extends beyond the MIECHV-specific grantees to include Part C/Early Intervention programs and other relevant service providers. The HVA will promote collaboration among home visiting programs, ensuring they have the necessary tools and guidance to enhance service delivery. Additionally, the HVA will implement centralized intake services for families, helping them connect with the appropriate home visiting services available in their communities. This approach is strongly supported by the Health Resources and Services Administration (HRSA), the federal funder of the MIECHV program, and aligns with best practices for ensuring access to services for eligible families.

SECTION 3. SCOPE OF WORK & CONTRACT INFORMATION

SEC. 3.01 SCOPE OF WORK

The Department of Health, Division of Public Health, Home Visitor's Alliance (HVA) will support home visiting services across the State by providing resources and connections, not limited to MIECHV-specific grantees, but also including Part C/Early Intervention programs. It aims to promote collaboration among programs and elevate the home visiting profession - to enhance service delivery. The HVA will also implement centralized intake services, through an established statewide coordinated intake and referral program, helping families access appropriate home visiting services in their communities. This initiative aligns with the Health Resources and Services Administration's recommendations for universal access to services for all eligible families.

SEC. 3.02 DELIVERABLES

The contractor will be required to provide the following deliverables:

1. The contractor will host the annual Alaska Home Visitor's Alliance (HVA) Summit in partnership with the MIECHV program director at DPH, the Parents as Teachers State Office at the University of Alaska Anchorage (UAA) Child Welfare Academy, and the State of Alaska Early Intervention/Infant Learning Program. Presenters will be online within the community in which the organization is located in Alaska. The funding provided will cover the contractor's staff time and presenter fees.

SEC. 4.08 COST PROPOSAL (SUBMITTAL FORM F)

Offerors must complete and submit this Submittal Form. Proposed costs must include all direct and indirect costs associated with the performance of the contract, including, but not limited to, direct expenses, payroll, supplies, overhead assigned to each person working on the project, and profit. The costs identified in the cost proposal are the total amount of costs to be paid by the State. No additional charges shall be allowed.

SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION

SEC. 5.01 SUMMARY OF EVALUATION PROCESS

The state will use the following steps to evaluate and prioritize proposals:

- 1) Proposals will be assessed for overall responsiveness. Proposals deemed non-responsive will be eliminated from further consideration.
- 2) A proposal evaluation committee (PEC), made up of at least three state employees or public officials, will evaluate specific parts of the responsive proposals.
- 3) The Submittal Forms, from each responsive proposal, will be sent to the PEC. No cost information will be shared or provided to the PEC.
- 4) The PEC will independently evaluate and score the documents based on the degree to which they meet the stated evaluation criteria.
- 5) After independent scoring, the PEC will have a meeting, chaired by the procurement officer, where the PEC may have a group discussion prior to finalizing their scores.
- 6) The evaluators will submit their final individual scores to the procurement officer, who will then compile the scores and calculate awarded points as set out in Section 5.03.
- 7) The procurement officer will calculate scores for cost proposals as set out in Section 5.08 and add those scores to the awarded points along with factoring in any Alaska preferences.
- 8) The procurement officer may ask for best and final offers from offerors susceptible for award and revise the cost scores accordingly.
- 9) The state will then conduct any necessary negotiations with the highest scoring offeror and award a contract if the negotiations are successful.

SEC. 5.02 EVALUATION CRITERIA

Proposals will be evaluated based on their overall value to the state, considering both cost and non-cost factors as described below. Note: An evaluation may not be based on discrimination due to the race, religion, color, national origin, sex, age, marital status, pregnancy, parenthood, disability, or political affiliation of the offeror.

TOTAL EVALUATION POINTS AVAILABLE: 1000

SEC. 5.03 SCORING METHOD AND CALCULATION

The PEC will evaluate responses against the questions set out in Sections 5.04 through 5.07 and assign a single score for each section. Offerors’ responses for each section may be rated comparatively against one another with each PEC member assigning a score of 1, 5, or 10 (with 10 representing the highest score, 5 representing the average score, and 1 representing the lowest score). Responses that are similar or lack dominant information to differentiate the offerors from each other will receive the same score. Therefore, it is the offeror’s responsibility to provide dominant information and differentiate themselves from their competitors.

After the PEC has scored each section, the scores for each section will be totaled and the following formula will be used to calculate the amount of points awarded for that section:

- 1) Maximum Points Available / Maximum Combined PEC Score Possible
- 2) Combined PEC Score x Result of 1)

Example (Maximum Points Available for the Section = 100):

	PEC Member 1 Score	PEC Member 2 Score	PEC Member 3 Score	PEC Member 4 Score	Combined Total Score	Points Awarded
Offeror 1	10	5	5	10	30	75
Offeror 2	5	5	5	5	20	50
Offeror 3	10	10	10	10	40	100

Offeror 1 was awarded 75 points:

$$\frac{\text{Maximum Points Available (100)}}{\text{Maximum Combined PEC Score Possible (40)}} = 2.5$$

$$\text{Combined PEC Score (30)} \times 2.5 = \text{Points Awarded (75)}$$

Offeror 2 was awarded 50 points:

$$\frac{\text{Maximum Points Available (100)}}{\text{Maximum Combined PEC Score Possible (40)}} = 2.5$$

$$\text{Combined PEC Score (20)} \times 2.5 = \text{Points Awarded (50)}$$

Offeror 3 was awarded 100 points:

$$\frac{\text{Maximum Points Available (100)}}{\text{Maximum Combined PEC Score Possible (40)}} = 2.5$$

Combined PEC Score (40) x 2.5 = Points Awarded (100)

SEC. 5.04 EXPERIENCE AND QUALIFICATIONS

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well did the offeror provide specific areas of expertise, including maintaining a statewide Coordinated Intake and Referral Service (CIRS), which supports healthy child development by offering information and assistance to individuals and organizations caring for children and young adults?
- 2) How well did the offeror detail the primary project manager’s experience in projects of a similar nature and the directly related experience of the overall project team?
- 3) How did the offeror describe the organization of the project team and the individual(s) responsible for and accountable for the completion of each component and deliverable of the RFP?

SEC. 5.05 UNDERSTANDING OF THE PROJECT

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well did the offeror demonstrate their understanding of the project requirements and how to meet the state’s needs?

SEC. 5.06 METHODOLOGY AND MANAGEMENT PLAN

This portion of the offeror’s proposal will be evaluated based on how well they provided the information required in RFF section 4.06 and whether the methodology and management plan will meet the State’s needs.

SEC. 5.07 CONTRACT COST (COST PROPOSAL)

Overall, a minimum of 40% of the total evaluation points will be assigned to cost. After the procurement officer applies any applicable preferences, the offeror with the lowest total cost will receive the maximum number of points allocated to cost per 2 AAC 12.260(c). The point allocations for cost on the other proposals will be determined using the following formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})$$

Example (Max Points for Contract Cost = 300):

Step 1

List all proposal prices, adjusted where appropriate by the application of applicable preferences claimed by the offeror.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

Step 2

In this example, the RFP allotted 40% of the available 1,000 points to cost. This means that the lowest cost will receive the maximum number of points.

Offeror #1 receives 400 points.

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 400 points.

Offeror #2 receives 374.3 points.

\$40,000 lowest cost x 400 maximum points for cost = 16,000,000 ÷ \$42,750 cost of Offeror #2's proposal = 374.3

Offeror #3 receives 336.8 points.

\$40,000 lowest cost x 400 maximum points for cost = 16,000,000 ÷ \$47,500 cost of Offeror #3's proposal = 336.8

SEC. 5.08 APPLICATION OF PREFERENCES

Certain preferences apply to all state contracts, regardless of their dollar value. The Alaska Bidder, Alaska Veteran, and Alaska Offeror preferences are the most common preferences involved in the RFP process. Additional preferences that may apply to this procurement are listed below. Guides that contain excerpts from the relevant statutes and codes, explain when the preferences apply, and provide examples of how to calculate the preferences are available at the following website:

<https://oppm.doa.alaska.gov/policy-oversight/policy-resources/user-guide-matrixes/>

- Alaska Products Preference – AS 36.30.332
- Recycled Products Preference – AS 36.30.337
- Local Agriculture and Fisheries Products Preference – AS 36.15.050
- Employment Program Preference – AS 36.30.321(b)
- Alaskans with Disabilities Preference – AS 36.30.321(d)
- Alaska Veteran's Preference – AS 36.30.321(f)
- Alaska Military Skills Program Preference – AS 36.30.321(l)

The Division of Vocational Rehabilitation in the Department of Labor and Workforce Development keeps a list of qualified employment programs and individuals who qualify as persons with a disability. As evidence of a business' or an individual's right to the Employment Program or Alaskans with Disabilities preferences, the Division of Vocational Rehabilitation will issue a certification letter. To take advantage of these preferences, a business or individual must be on the appropriate Division of Vocational Rehabilitation list prior to the time designated for receipt of proposals. Offerors must attach a copy of their certification letter to the proposal. **An offeror's failure to provide this certification letter with their proposal will cause the state to disallow the preference.**

SEC. 5.09 ALASKA BIDDER PREFERENCE

An Alaska Bidder Preference of 5% will be applied to the price in the proposal. The preference will be given to an offeror who:

- 1) holds a current Alaska business license prior to the deadline for receipt of proposals;
- 2) submits a proposal for goods or services under the name appearing on the offeror's current Alaska business license;
- 3) has maintained a place of business within the state staffed by the offeror, or an employee of the offeror, for a period of six months immediately preceding the date of the proposal;
- 4) is incorporated or qualified to do business under the laws of the state, is a sole proprietorship and the proprietor is a resident of the state, is a limited liability company (LLC) organized under AS 10.50 and all members are residents of the state, or is a partnership under AS 32.06 or AS 32.11 and all partners are residents of the state; and
- 5) if a joint venture, is composed entirely of ventures that qualify under (1)-(4) of this subsection.

Alaska Bidder Preference Certification Form

In order to receive the Alaska Bidder Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror does not need to complete the Alaska Veteran Preference questions on the form if not claiming the Alaska Veteran Preference. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

SEC. 5.10 ALASKA VETERAN PREFERENCE

An Alaska Veteran Preference of 5%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and is a:

- A. sole proprietorship owned by an Alaska veteran;
- B. partnership under AS 32.06 or AS 32.11 if a majority of the partners are Alaska veterans;
- C. limited liability company organized under AS 10.50 if a majority of the members are Alaska veterans; or
- D. corporation that is wholly owned by individuals, and a majority of the individuals are Alaska veterans.

In accordance with AS 36.30.321(i), the bidder must also add value by actually performing, controlling, managing, and supervising the services provided, or for supplies, the bidder must have sold supplies of the general nature solicited to other state agencies, other government, or the general public.

Alaska Veteran Preference Certification

In order to receive the Alaska Veteran Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

SEC. 5.11 ALASKA MILITARY SKILLS PROGRAM PREFERENCE

An Alaska Military Skills Program Preference of 2%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and:

- A. Employs at least one person who is currently enrolled in, or within the previous two years graduated from, a United States Department of Defense SkillBridge or United States Army career skills program for service members or spouses of service members that offers civilian work experience through specific industry training, pre-apprenticeships, registered apprenticeships, or internships during the last 180 days before a service member separates or retires from the service; or
- B. has an active partnership with an entity that employs an apprentice through a program described above.

Alaska Military Skills Program Preference Certification

In order to receive the Alaska Military Skills Program Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

In addition, proof of graduation of the qualifying employee from an eligible program as described in AS 36.30.321(l) must be provided to the procurement officer at time of proposal submission. Offerors must provide clarification or additional information requested by the procurement officer related to the preference not later than 5:00 PM Alaska Time one (1) business day following the date of the request. Failure to provide sufficient documentation will result in the offeror not receiving the Military Skills Program Preference.

SEC. 5.12 ALASKA OFFEROR PREFERENCE

Per 2 AAC 12.260, if an offeror qualifies for the Alaska Bidder Preference, the offeror will receive an Alaska Offeror Preference. The preference will be 10% of the total available points, which will be added to the offeror’s overall evaluation score.

Example:

Step 1

Determine the number of points available to qualifying offerors under this preference:

1000 Total Points Available in RFP x 10% Alaska Offeror preference = 100 Points for the preference

Step 2

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska Offeror preference. For the purpose of this example, presume that all proposals have been completely evaluated based on the evaluation criteria in the RFP. The scores at this point are:

Offeror #1	830 points	No Preference	0 points
Offeror #2	740 points	Alaska Offeror Preference	100 points
Offeror #3	800 points	Alaska Offeror Preference	100 points

Step 3

Add the applicable Alaska Offeror preference amounts to the offerors’ scores:

Offeror #1	830 points
Offeror #2	840 points (740 points + 100 points)
Offeror #3	900 points (800 points + 100 points)

Offeror #3 is the top scoring offeror.

SEC. 5.13 COST REASONABLENESS

Prior to entering into contract negotiations, the procurement officer may perform a cost reasonableness assessment of all shortlisted proposals in the following manner:

- If the highest ranked offeror's cost proposal is within 5% of the next highest ranked offeror's cost proposal, the state will proceed to invite the highest ranked offeror to contract negotiations.
- If the highest ranked offeror's cost proposal is 5% or more higher than the next highest ranked offeror's cost proposal, the state reserves the right to invite the second highest ranked offeror to contract negotiations.

SEC. 5.14 CONTRACT NEGOTIATIONS

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those items which would not have an effect on the ranking of proposals.

If the selected offeror:

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- if the offeror and the state, after a good faith effort, simply cannot come to terms,

The state may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

SEC. 5.15 OFFEROR NOTIFICATION OF SELECTION

After the completion of contract negotiation, the procurement officer will issue a written Notice of Intent to Award and send copies of that notice to all offerors who submitted proposals. The notice will list the names of all offerors and identify the offeror(s) selected for award.

SECTION 6. GENERAL PROCESS AND LEGAL INFORMATION

SEC. 6.01 INFORMAL DEBRIEFING

When the contract is completed, an informal debriefing may be performed at the discretion of the project director or procurement officer. If performed, the scope of the debriefing will be limited to the work performed by the contractor.

SEC. 6.02 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, an offeror must hold a valid Alaska business license. However, in order to receive the Alaska Bidder Preference and other related preferences, such as the Alaska Veteran Preference and Alaska Offeror Preference, an offeror must hold a valid Alaska business license prior to the deadline for receipt of proposals. Offerors should contact the **Department of Commerce, Community and Economic Development, Division of Corporations, Business, and Professional Licensing** for information on these licenses. Acceptable evidence that the offeror possesses a valid Alaska business license may consist of any one of the following:

- certification on the proposal that the offeror has a valid Alaska business license and has included the license number in the proposal;
- a canceled check for the Alaska business license fee;
- a copy of the Alaska business license application with a receipt stamp from the state's occupational licensing office; or
- a sworn and notarized statement that the offeror has applied and paid for the Alaska business license.

You are not required to hold a valid Alaska business license at the time proposals are opened if you possess one of the following licenses and are offering services or supplies under that specific line of business:

- fisheries business licenses issued by Alaska Department of Revenue or Alaska Department of Fish and Game,
- liquor licenses issued by Alaska Department of Revenue for alcohol sales only,
- insurance licenses issued by Alaska Department of Commerce, Community and Economic Development, Division of Insurance, or
- Mining licenses issued by Alaska Department of Revenue.

Prior the deadline for receipt of proposals, all offerors must hold any other necessary applicable professional licenses required by Alaska Statute.

The contractor will be required to sign the state's Standard Agreement Form for Professional Services. This form is attached with the RFP for your review. The contractor must comply with the Appendix A contract provisions set out in this attachment. No alteration of these provisions will be permitted without prior written approval from the Department of Law, and the state reserves the right to reject a proposal that is non-compliant or takes exception with the contract terms and conditions stated in the Agreement. Any requests to change language in

this document (adjust, modify, add, delete, etc.), must be set out in the offeror's proposal in a separate document. Please include the following information with any change that you are proposing:

- 1) Identify the provision that the offeror takes exception with.
- 2) Identify why the provision is unjust, unreasonable, etc.
- 3) Identify exactly what suggested changes should be made.

SEC. 6.04 QUALIFIED OFFERORS

Per 2 AAC 12.875, unless provided for otherwise in the RFP, to qualify as an offeror for award of a contract issued under AS 36.30, the offeror must:

- 1) Add value in the contract by actually performing, controlling, managing, or supervising the services to be provided; or
- 2) Be in the business of selling and have actually sold on a regular basis the supplies that are the subject of the RFP.

If the offeror leases services or supplies or acts as a broker or agency in providing the services or supplies in order to meet these requirements, the procurement officer may not accept the offeror as a qualified offeror under AS 36.30.

SEC. 6.05 PROPOSAL AS PART OF THE CONTRACT

Part of all of this RFP and the successful proposal may be incorporated into the contract.

SEC. 6.06 ADDITIONAL TERMS AND CONDITIONS

The state reserves the right to add terms and conditions during contract negotiations. These terms and conditions will be within the scope of the RFP and will not affect the proposal evaluations.

By signature on their proposal, the offeror certifies that the offeror is not established and headquartered or incorporated and headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <https://www.state.gov/trafficking-in-persons-report/>

Failure to comply with this requirement will cause the state to reject the proposal as non-responsive or cancel the contract.

SEC. 6.08 RIGHT OF REJECTION

Offerors must comply with all of the terms of the RFP, the State Procurement Code (AS 36.30), and all applicable local, state, and federal laws, codes, and regulations. The procurement officer may reject any proposal that does not comply with all of the material and substantial terms, conditions, and performance requirements of the RFP.

Offerors may not qualify the proposal nor restrict the rights of the state. If an offeror does so, the procurement officer may determine the proposal to be a non-responsive counter-offer and the proposal may be rejected.

Minor informalities that:

- do not affect responsiveness;
- are merely a matter of form or format;
- do not change the relative standing or otherwise prejudice other offers;
- do not change the meaning or scope of the RFP;
- are trivial, negligible, or immaterial in nature;
- do not reflect a material change in the work; or
- do not constitute a substantial reservation against a requirement or provision;

may be waived by the procurement officer.

The state reserves the right to refrain from making an award if it determines that to be in its best interest. **A proposal from a debarred or suspended offeror shall be rejected.**

SEC. 6.09 STATE NOT RESPONSIBLE FOR PREPARATION COSTS

The state will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any proposal.

SEC. 6.10 DISCLOSURE OF PROPOSAL CONTENTS

All proposals and other material submitted become the property of the State of Alaska and may be returned only at the state's option. AS 40.25.110 requires public records to be open to reasonable inspection. All proposal information, including detailed price and cost information, will be held in confidence during the evaluation process and prior to the time a Notice of Intent to Award is issued. Thereafter, proposals will become public information.

Trade secrets and other proprietary data contained in proposals may be held confidential if the offeror requests, in writing, that the procurement officer does so, and if the procurement officer agrees, in writing, to do so. The offeror's request must be included with the proposal, must clearly identify the information they wish to be held confidential, and include a statement that sets out the reasons for confidentiality. Unless the procurement officer agrees in writing to hold the requested information confidential, that information will also become public after the Notice of Intent to Award is issued.

SEC. 6.11 ASSIGNMENT

Per 2 AAC 12.480, the contractor may not transfer or assign any portion of the contract without prior written approval from the procurement officer. Proposals that are conditioned upon the state's approval of an assignment will be rejected as non-responsive.

SEC. 6.12 SEVERABILITY

If any provision of the contract or agreement is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and, the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

SEC. 6.13 SUPPLEMENTAL TERMS AND CONDITIONS

Proposals must comply with Section 6.08 Right of Rejection. However, if the state fails to identify or detect supplemental terms or conditions that conflict with those contained in this RFP or that diminish the state's rights under any contract resulting from the RFP, the term(s) or condition(s) will be considered null and void. After award of contract:

If conflict arises between a supplemental term or condition included in the proposal and a term or condition of the RFP, the term or condition of the RFP will prevail; and

If the state's rights would be diminished as a result of application of a supplemental term or condition included in the proposal, the supplemental term or condition will be considered null and void.

SEC. 6.14 SOLICITATION ADVERTISING

Public notice has been provided in accordance with 2 AAC 12.220.

SEC. 6.15 SITE INSPECTION

The state may conduct on-site visits to evaluate the offeror's capacity to perform the contract. An offeror must agree, at risk of being found non-responsive and having its proposal rejected, to provide the state reasonable access to relevant portions of its work sites. Individuals designated by the procurement officer at the state's expense will make site inspection.

SEC. 6.16 CLARIFICATION OF OFFERS

Prior to the contract negotiation period detailed in RFP Section 5.15, to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the proposal evaluation committee (PEC) are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or substantive change to the proposal. The evaluation by the procurement officer or the PEC may be adjusted as a result of a clarification under this section.

SEC. 6.17 DISCUSSIONS WITH OFFERORS

Prior to the contract negotiation period detailed in RFP Section 5.15, the state may conduct discussions with offerors in accordance with AS 36.30.240 and 2 AAC 12.290. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and proposal. Discussions will be limited to specific sections of the RFP or proposal identified by the procurement officer. Discussions will only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the procurement officer or the PEC. If modifications are made as a result of these discussions, they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

SEC. 6.18 FEDERALLY IMPOSED TARIFFS

Changes in price (increase or decrease) resulting directly from a new or updated federal tariff, excise tax, or duty, imposed after contract award may be adjusted during the contract period or before delivery into the United States via contract amendment.

- **Notification of Changes:** The contractor must promptly notify the procurement officer in writing of any new, increased, or decreased federal excise tax or duty that may result in either an increase or decrease in the contract price and shall take appropriate action as directed by the procurement officer.
- **After-imposed or Increased Taxes and Duties:** Any federal excise tax or duty for goods or services covered by this contract that was exempted or excluded on the contract award date but later imposed on the contractor during the contract period, as the result of legislative, judicial, or administrative action may result in a price increase provided:
 - a) The tax or duty takes effect after the contract award date and isn't otherwise addressed by the contract;
 - b) The contractor warrants, in writing, that no amount of the newly imposed federal excise tax or duty or rate increase was included in the contract price, as a contingency or otherwise.
- **After-relieved or Decreased Taxes and Duties:** The contract price shall be decreased by the amount of any decrease in federal excise tax or duty for goods or services under the contract, except social security or other employment [taxes](#), that the contractor is required to pay or bear, or does not obtain a refund of, through the contractor's fault, negligence, or failure to follow instructions of the procurement officer.
- **State's Ability to Make Changes:** The state reserves the right to request verification of federal excise tax or duty amounts on goods or services covered by this contract and increase or decrease the contract price accordingly.
- **Price Change Threshold:** No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

SEC. 6.19 PROTEST

AS 36.30.560 provides that an interested party may protest the content of the RFP.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the procurement officer at least ten days prior to the deadline for receipt of proposals.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If an offeror wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the procurement officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a proposal in order to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;

- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and the form of relief requested.

The procurement officer will issue a written response to the protest. The response will set out the procurement officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All offerors will be notified of any protest. The review of protests, decisions of the procurement officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."
