Why We Do What We Do

Dream Bigger

Alaskans share a vision of a flexible system in which each person directs their own supports, based on their strengths and abilities, toward a meaningful life in their home, their job and their community. Our vision includes supported families, professional staff and services available throughout the state now and into the future.

Shared Vision 2.0

Why this is important.

- We cannot understand the full potential of the vision without being a part of the community
- Actualizing the Shared Vision
- Workgroups- council members on each
 - 1- Self Directed Services
 - 2- Alignment with Vision
 - 3- Education/Awareness
