The purpose of Amendment #1 is to:
Allow for electronic submission for proposals

If submitting a proposal via email, the technical proposal and cost proposal must be saved as separate PDF documents and emailed to dotstatewideprocurement@alaska.gov as separate, clearly labeled attachments, such as "Vendor A – Technical Proposal.pdf" and "Vendor A – Cost Proposal.pdf". The email must contain the RFP number in the subject line.

The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the proposal exceeds this size, the proposal must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Similar to sending a hard copy proposal, if you are emailing your proposal, the state recommends sending it with enough time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror's responsibility to contact the issuing agency at 907-465-8447 to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.
