TITLE

DATE

If construction has not started within two years of the approval date, this certificate is void and new plans and specifications must be submitted for review and approval before construction.

B. APPROVED CHANGE ORDERS

Change (contract order number or descriptive reference)

Approved by

Date

C. APPROVAL TO OPERATE

The "APPROVAL TO OPERATE" section must be completed and signed by the Department before this system is made available for use.

The construction of the Recirculating Sand filter domestic wastewater disposal system was completed  
on 2/19/2003 (date). The system is hereby granted interim approval to operate for 90 days following the completion date.

BY

TITLE

DATE

As-built/record drawings, submitted to the Department, or an inspection by the Department, has confirmed that the domestic wastewater disposal system was constructed in substantial conformance with the approved plans. The system is hereby granted final approval to operate.
