Instructions to Applicant

- To qualify for a trapping cabin permit, the applicant must provide **proof**, attached to this application, of regular use of an established trapline. Attach evidence such as:
 - Tax returns and fur receipts showing income derived from trapping;
 - Official records of the Department of Fish and Game relating to trapline use;
 - Signed statements by witnesses or officers of the Department of Fish and Game or the Division of Fish and Wildlife Protection within the Department of Public Safety; and similar records.
 - Other documentation that sufficiently demonstrates the applicant has a history of trapping in a given area

The applicant bears the burden of proof, so it is in your interest to provide as much documentation as possible to support your application.

- Also attach a 1:63,360 scale United States Geological Survey Map (USGS) or its equivalent, showing the location of the established trapline and the proposed cabin site(s).
- No application will be accepted for a cabin that is within two miles of an existing trapping cabin or site, unless a physical barrier such as a river or mountain range separates the sites, or is within 10 miles of a road. No more than three cabins may be applied for.
- No application will be accepted unless accompanied by the required fees. See current Director's Fee Order for applicable fees. Make check payable to the State of Alaska.
- Bonding may be required.

The undersigned applicant is aware of and agrees to comply with the provisions of **AS 38.95.080**, **11 AAC 94.010** through **11 AAC 94.410**, and agrees to assume full responsibility for fire prevention at the cabin site and an area within 150 feet of it and full liability for any damages resulting from applicant's negligence. The applicant acknowledges that a trapping cabin permit is nonexclusive and nontransferable; that it authorizes only temporary use of a cabin for shelter while trapping; and that the cabin may not be rented out for any purpose, or used for any purpose other than trapping. For use of existing cabins, the applicant attests that they did not build the cabin without authorization.

The undersigned applicant certifies that the statements, evidence, and representations appearing in and attached to this application are to the best of the applicant's knowledge true and correct, and that the conditions of eligibility and issuance of a trapping cabin permit are binding upon the applicant. Under AS 38.95.080(e), **any person making a false statement as to any material fact relating to a trapping cabin permit is guilty of a misdemeanor.**

AS 38.95.080(c)(7) Non-refundable application fee: \$100.00
Annual permit fee of \$25 assessed upon approval of permit.
