RFP TITLE: RFP 689 – Audio and Video Equipment Installation for the Anchorage Legislative Office Building

RFP OPENING DATE & TIME: 2:00pm Alaska Time, Monday, August 11, 2025

The following contains additional information, changes, or additions for the RFP:

1. Questions or comments that were received by the Procurement Manager from potential Offerors:

- a. *Is the Agency providing any patchwork or repair to drywall or areas that may require it? Specifically to the ceiling where the new projector screen is being installed.?*

Response: The Agency does not have building maintenance staff available for the ALOB, offerors should review paragraph 2.09 (h.) on page 21 of the RFP for more details about the work that may need to be performed.

- b. *Is the distributed patch panel provided by Agency?*

Response: No, the Successful Offeror must provide the panels, the panels are listed as Bittree, DSKP1248-C6APS on line 29 of the Cost Proposal Form of the RFP and on page 42 of attachment A-1 (Installation Work and Product Specifications) of the RFP.

- c. *Will the Prospective offeror be responsible for configuring devices with IP addresses and verify connectivity as well as field test installed devices?*

Response: The Successful Offeror shall provide a spreadsheet of devices to the Agency to assign IP addresses for. The Successful Offeror is required to configure the device with IP addresses, verify connectivity, and field test the installed devices. The Successful Offeror
