RFP 689 AMENDMENT NO. 2

3. On Page 18 of the RFP, paragraph 2.02(a.) is amended to read as follows:

- a. As required by paragraph 3.04.b. (Project Management by Successful Offeror) of the General Conditions and Requirements of this RFP, the Successful Offeror is required to provide a competent Project Manager at all times during the Project. In addition to the requirements of paragraph 3.04.b. (Project Management by Successful Offeror) of the General Conditions and Requirements of this RFP, the Successful Offeror must provide the Project Manager's name, email address, and telephone number on the Offeror Questionnaire included in paragraph 6.01 (Offeror Questionnaire) of this RFP.

4. On Page 26 of the RFP, paragraph 3.04(b.) (Project Management by Successful Offeror) is amended to read as follows:

- b. Project Management by Successful Offeror: The Successful Offeror shall keep a competent Project Manager assigned to the Project that is reachable at all times during the Project. The Project Director shall be notified in writing of the Project Manager's name, email address, and telephone number. This written notice is to be kept current until final acceptance of the Work by the Agency. The Project Manager will be the Successful Offeror's representative and shall have full authority to act and sign documents on behalf of the Successful Offeror. All communications given to the Project Manager shall be as binding as if given to the Successful Offeror. The Successful Offeror and Project Manager shall cooperate with the Project Director in every way possible.

5. On Page 59 of the RFP, paragraph 4.03 (Cost Proposal Requirements) is amended to read as follows:

4.03 COST PROPOSAL REQUIREMENTS:

The cost proposal must include, fully complete, one (1) original hard copy of all seven (7) pages of the COST PROPOSAL FORM in paragraph 6.07 (Cost Proposal Form), an original copy of the PROPOSAL BOND that meets the requirements shown in paragraph 6.04 (Proposal Bond), and if applicable, one hard copy of the Alaska Preference Claim Form in paragraph 6.03 (Alaska Product Preference Claim Form). The cost proposal must be submitted in a **separate** sealed envelope marked COST PROPOSAL with the Offeror's name and RFP number on the outside of the envelope, per the instructions in paragraph 1.19 (Proposal Submission, Delivery, and Acceptance) of this RFP.

6. On Page 78 of the RFP, check box five (5) of form 6.08 (Proposal Checklist) is amended to read as:

- Cost Proposal Form (Form 6.07 all 7 pages)

7. Questions or comments that were received by the Procurement Manager from potential Offerors:

- a. *Can the State remove the requirement per Section 3.04 subsection b. for keeping a project manager on site at all times? The scope of this project is well defined and can be performed by capable technical leads and technicians. Having a project manager on site for the duration of the project is not deemed necessary and would add extra cost to the project.*

RFP 689 AMENDMENT NO. 2

Response: Please review the changes to paragraphs 2.04(a.) and 3.04(b.) of the RFP that changes the requirements for the Successful Offerors Project Manager.

- b. *Will the State provide a single workspace on site for a project manager or lead to use during the installation process?*

Response: The Agency will allow the Successful Offeror to use the a single open worksurface area that is located in the Bridge room of the ALOB for the duration of the equipment installation.

8. All other terms and conditions of Request for Proposals 689 will remain as written.

In order for your proposal to be considered responsive, a signed copy of this amendment and any other Agency issued amendments, in addition to your proposal, must be received by the issuing office prior to the deadline for receipt of Proposals as amended.
