RE: **Project Name:** Project: BAAF - 47645 Roof Replacement Project
 Project Number: 02A7024008
 Project Location: **Building 47645** JBER, Alaska

Addendum # Two (2)

This addendum forms a part of the contract documents and modifies the original drawings and/or specifications for the subject work. In case of conflicts between this addendum and previously issued documents, this addendum shall take precedence.

The following questions have been asked:

1. Question: What permits are required for this project?

**Answer: Title 35. Public Buildings, Works, and Improvements
Chapter 10. Public Works Article 1. Public Works Planning and Construction.
Sec. 35.10.025. Compliance with local building codes. A public building shall be built in accordance with applicable local building codes, including the obtaining of required permits. This section applies to all buildings of the state and corporate authorities of the state. This clause can be found on page 93 of this solicitation sec. 7.9.**

2. Question: Will there be an AHJ review?

Answer: No, there will not be an AHJ (Authority Having Jurisdiction) review.

3. Question: Are there any phased design drawing submittal requirements?

Answer: Yes, all phases, schedules and materials must be submitted and approved prior to any work being started.

Please contact me if you have any questions.

Sincerely
