### Application for Approval of an Oil Discharge Prevention and Contingency Plan

#### Notes page for completing plan application.

---

<sup>1</sup> All proposed additions, revisions, and deletions must be identified in the plan amendment. Check with the plan reviewer to see if the department will also require a summary of changes in table format.

<sup>2</sup> For a change of owner or operator, please complete the Change of Ownership Form which can be searched for at this page: <https://dec.alaska.gov/spar/ppr/regulations-guidance/forms-applications/>

<sup>3</sup> Plan holder company name is the applicant as defined in 18 AAC 75.400(a). 18 AAC 75.400(j) requires that the person that files an application for ODPCP must be the same person that submits the application for proof of financial responsibility under 18 AAC 75.205(a).

<sup>4</sup> Follow the naming format specified in 18 AAC 75.448(d)

<sup>5</sup> For plan renewal, amendment, and routine update applications, this is the current or (expiring) plan number. For new plan applications leave blank.

<sup>6</sup> For Latitude and Longitude please complete the Facility Location Data Sheet: which can be searched for at this page: <https://dec.alaska.gov/spar/ppr/regulations-guidance/forms-applications/>

<sup>7</sup> Spot Chart Amendment requires the completion of the Application for Approval of an Oil Discharge Prevention and Contingency Plan as well as all information listed in the Spot Charter Checklist, which can be found at: <https://dec.alaska.gov/spar/ppr/contingency-plans/industry/apply-for-plan/spot-charter-checklist.htm>

<sup>8</sup> “Primary Operational Control” is defined in 18 AAC 75.990.

<sup>9</sup> The addition of an aboveground oil storage tank on a temporary basis must meet the requirements of 18 AAC 75.415(i). “Temporary basis” is defined in 18 AAC 75.489.

<sup>10</sup> The Authorized Person is the person listed under 18 AAC 75.408(b). This is the same person that signs the certification in section G.

<sup>11</sup> Person to contact for additional information about the application package.

<sup>12</sup> Total Storage Capacity – see 18 AAC 75.990 for the definition of “storage capacity.”

<sup>13</sup> List all vessels; attach additional vessel sheet as necessary.

For further information, contact the Regional Manager or Plan Reviewer: see the **Contact List** (<https://dec.alaska.gov/spar/ppr/about/contacts/>) for regional contacts.
