Subject: **Delta Western Sitka Samson Oil Discharge Prevention and Contingency Plan, DEC Plan #: 25-CP-5295; Sufficient for Public Review and Public Notice Instructions**

Dear Mr. Palmer:

The Alaska Department of Environmental Conservation (DEC) received a new plan application package for the Delta Western Sitka Samson Oil Discharge Prevention and Contingency Plan on August 15, 2025. The application package was submitted for evaluation as required by the state's oil and hazardous substances pollution control regulations, 18 AAC 75.

The application package was determined "sufficient for review" as defined in 18 AAC 75.990 on August 21, 2025 and will be reviewed in accordance with the procedures outlined in 18 AAC 75.455. Additional information may be requested, based on DEC's technical review and comments received during the public comment period. The review schedule is designated as follows:

Start of public comment period (Day One): August 26, 2025

End of public comment period (Day 30); public comments and requests for additional information due by 11:59 pm: September 25, 2025

A single public notice of this application must be published by DEC as required by 18 AAC 75.455(b)(5). It will be posted on the Alaska Online Public Notice system at <https://aws.state.ak.us/OnlinePublicNotices/> before Day One. Please review the enclosed notice for accuracy and contact me within 5 working days if any changes are necessary.

The plan will be available at DEC's website (<http://dec.alaska.gov/Applications/SPAR/PublicMVC/IPP/CPlansUnderReview>) for public review starting on Day One.

If you have any questions, please contact me at 907-538-3948 or tessa.gottlob@alaska.gov.

Sincerely,
