

Notice of Utility Tariff Filing

The REGULATORY COMMISSION OF ALASKA (Commission) gives notice that Chugach Electric Association, Inc. (Chugach) filed TA579-8, seeking approval of tariff provisions detailing its Cents for Community program, a voluntary bill round-up program approved by the Chugach membership in May 2023. Under the Cents for Community program, member bills are rounded up to the nearest dollar, and the proceeds are donated to eligible 501(c)(3) charities serving the Chugach service area. The charities are selected by the Chugach Electric Association Charitable Foundation, a seven-member board of volunteer trustees that will meet quarterly to assess grant applications and distribute funding. Consistent with the amended bylaws passed in 2023, Chugach members are automatically enrolled in the Cents for Community program but may opt out at any time by calling (907) 762-4129 or contacting Chugach directly. Members who choose to opt out during the first three years of enrollment may request the entire amount contributed be credited to their electric account. As of August 22, 2025, approximately 1,387 retail accounts have opted out of the program, which Chugach plans to begin with bills processed on or after October 10, 2025.

This notice does not contain all requested revisions, and the Commission may approve a rate or classification that varies from those proposed.
