### SEC. 1.05 PRIOR EXPERIENCE

- The Contractor will need to provide a copy of their special fuel license for Washington State at the time of bid.

A bidder's failure to meet these minimum prior experience requirements will cause their bid to be considered non-responsive and rejected.

**SEC. 1.06 REQUIRED REVIEW**

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the procurement officer at least ten days before the deadline for receipt of bids. This will allow time for an amendment to be issued if one is required. All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The procurement officer will make that decision.

**SEC. 1.08 RETURN INSTRUCTIONS**

If submitting your bid via email, the entire bid may be emailed to [dotstatewideprocurement@alaska.gov](mailto:dotstatewideprocurement@alaska.gov) and must contain the ITB number in the subject line of the email. The **maximum** size of a single email (including all text and attachments) that can be received by the state is **15mb (megabytes)**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 15 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Like sending a hard copy bid, if you are emailing your bid, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bids.

It is the bidder's responsibility to contact the issuing agency at 907-465-8448 to confirm that the entire bid has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

### **SEC. 1.09 AMENDMENTS TO BIDS**

Amendments to or withdrawals of bids will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of bids, in accordance with 2 AAC 12.140. No amendments or withdrawals will be accepted after the deadline unless the delay is due to an error of the contracting agency, in accordance with 2 AAC 12.160.

### **SEC. 1.10 AMENDMENTS TO THE ITB**

If an amendment is issued before the deadline for receipt of bids, the amendment will be posted on the State of Alaska Online Public Notice (OPN) website. The link to the posting of the amendment will be provided to all who were notified of the ITB and to those who have registered with the procurement officer after receiving the ITB from the OPN.

### **SEC. 1.11 ITB SCHEDULE**

The ITB schedule below represents the State of Alaska's best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of bids, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Standard Time (AST).

<b>ACTIVITY</b>	<b>TIME</b>	<b>DATE</b>
Issue Date / ITB Released		August 29, 2025
Deadline for Receipt of Bids / Bid Due Date	2:00 P.M. AK Time	September 8, 2025
Bid Evaluations Complete		September 9, 2025
Notice of Intent to Award		September 9, 2025
Contract Issued		September 19, 2025

This ITB does not, by itself, obligate the state. The state's obligation will commence when the contract is approved by the Commissioner of the Department of Transportation, or the Commissioner's designee. Upon written notice to the contractor, the state may set a different starting date for the contract. The state will not be responsible for any work done by the contractor, even work done in good faith, if it occurs prior to the contract start date set by the state.

**SEC. 1.12 ALTERNATE BIDS**

Bidders may only submit one bid for evaluation. In accordance with 2 AAC 12.830 alternate bids (bids that offer something different than what is asked for) will be rejected.

**SEC. 1.13 SUPPORTING INFORMATION**

Provided a bid meets the requirements for a definite, firm, unqualified, and unconditional offer, the state reserves the right to request supplemental information from the bidder, after the bids have been opened, to ensure that the products or services offered completely meet the ITB requirements. The requirement for such supplemental information will be at the reasonable discretion of the state and may include the requirement that a bidder will provide a sample product(s) so that the state can make a first-hand examination and determination.

A bidder's failure to provide this supplemental information or the product sample(s), within the time set by the state, may cause the state to consider the offer non-responsive and reject the bid.

**SEC. 1.14 FIRM, UNQUALIFIED, AND UNCONDITIONAL OFFER**

To be responsive a bid must constitute a definite, firm, unqualified and unconditional offer to meet all the material terms of the ITB. Material terms are those that could affect the price, quantity, quality, or delivery. Also included as material terms are those which are clearly identified in the ITB, and which must be complied with at risk of bid rejection for non-responsiveness.

The bidder's failure to provide this certification letter with their bid will cause the state to disallow the preference.

**SEC. 4.12 METHOD OF AWARD**

Award will be made to the lowest responsive and responsible bidder. There is one (1) lot. In order to be considered responsive, bidders must bid on all items within that lot.

**SEC. 4.13 NOTICE OF INTENT TO AWARD**

After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. It lists the name of each company or person that offered a bid and the price they bid. It also provides notice of the state's intent to award a contract(s) to the bidder(s) indicated. A copy of the Notice of Intent will be sent to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the procurement officer. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

**SEC. 5.07 CONTRACTOR SITE INSPECTION**

The state may conduct on-site visits to evaluate the bidder's capacity to perform the contract. - do not change the meaning or scope of the ITB,
- are trivial, negligible, or immaterial in nature,
- do not reflect a material change in the work, or
- do not constitute a substantial reservation against a requirement or provision,

may be waived by the procurement officer.

The state reserves the right to refrain from making an award if it is determined to be in the state's best interest.

**A bid from a debarred or suspended bidder shall be rejected.**
