DEPARTMENT OF NATURAL RESOURCES
FAIRBANKS-DELTA AREA FORESTRY

NOTICE OF TIMBER SALE AUCTION

The State of Alaska, Department of Natural Resources, Division of Forestry & Fire Protection (DOF), gives notice under Alaska Statute (AS) 38.05.945 that **certain timber will be sold at 10:00 AM AKDT on Friday, OCTOBER 3RD, 2025**, in person at the Fairbanks DNR Office, Large Conference Room, 3700 Airport Way, Fairbanks, Alaska. DOF has issued a preliminary and/or final written finding under AS 38.05.035(e) that the sales will be in the best interest of the STATE. DOF is offering **8 Timber Sales** in the Fairbanks Area. Sale prospectus and decision documents are available on the DOF webpage at: <https://forestry.alaska.gov/timber/fairbanks>.

To be included in the auction, a timber sale must have a final Best Interest Finding and a Forest Land Use Plan adopted by DOF. DOF issued final decisions on August 13th, 2025, following completion of the planning process with the public comment & agency review periods on July 14th, 2025. (AS.38.05)

The STATE neither expressly nor implicitly warrants its quantity estimate, or the quality or marketability of the timber sold. Prospective bidders should visit the site and evaluate the timber before bidding. Estimates are used only to establish the minimum bid. Each operator is required to estimate their own costs and bid accordingly. The Fairbanks Area auction will be in person and a live, oral outcry auction beginning promptly at **10:00 AM AKDT Friday, October 3rd, 2025.**

To qualify for bidding, all bidders must have, before the time and date listed above, submitted:

1. a **current Alaska Business License**, and
2. a minimum bid deposit of at least 10% of the opening (minimum) bid, in the form of cash, certified check, cashier's check, money order, or any combination thereof, payable to the State of Alaska, Department of Natural Resources, DOF. **Personal checks will not be accepted for the opening bid deposit.**
3. If bidding as an agent for an individual, partnership, or corporation, prior to the opening of the submitted bid, the agent must present a notarized power-of-attorney authorizing such agency to the auctioneer. No agent may represent more than one principal or bid in competition with the agent's principal.

If no qualified bid is received within the time specified during the auction, DOF may offer the sale for purchase over the counter without re-advertisement for not less than the appraised value (advertised minimum bid). **The State reserves the right to reject any or all bids.** Unless all bids are rejected, the STATE will award the sale based on the highest qualified bid.

If the winning bidder does not execute the contract and submit a performance bond within 30 days of following the auction, the bidder's bid deposit will be forfeited to the STATE as liquidated damages, and the successful bidder will lose all claim to the contract. **The performance bond, plus any project bonds, will be in the form of cash or certificate of deposit. The successful bidder must schedule a pre-operational meeting with DOF to review the contract and submit a logging plan for approval.**
