With this Amendment #1 the Deadline for Receipt of Bids on the Online Public Notice is Oct 6, 2025, at 2:00 PM. (Alaska Time).

**Modification #2**

SEC 2.11 SUBCONTRACTORS modified to read:

Subcontractors may be used to perform work under this contract. If a bidder intends to use subcontractors, the bidder must identify in the bids the names of the subcontractors and the portions of the work the subcontractors will perform.

Subcontractor experience SHALL be considered in determining whether the bidder meets the requirements set forth in SEC. 1.04 PRIOR EXPERIENCE.

If a bid with subcontractors is selected, the bidder must provide the following information concerning each prospective subcontractor within five working days from the date of the state's request:

- complete name of the subcontractor;
- complete address of the subcontractor;
- type of work the subcontractor will be performing;
- percentage of work the subcontractor will be providing;
- evidence that the subcontractor holds a valid Alaska business license; and

- a written statement signed by each proposed subcontractor that clearly verifies that the subcontractor is committed to render the services required by the contract.

A bidder's failure to provide this information, within the time set, may cause the state to consider their bid non-responsive and reject it.

Note that if the subcontractor will not be performing work within Alaska, they will not be required to hold an Alaska business license.
