EXPLANATION

The Department of Health, Division of Behavioral Health is cancelling RFP 2026-1600-0063 – Government Performance and Results Act (GPRA) Portal. This decision is based upon the upcoming launch of the SAMHSA Unified Performance Reporting Tools (SUPRT) which will consist of two new components 1) Administrative (SUPRT-A) and 2) Client or Caregiver (SUPRT-C) tools. This will replace existing client-level data collection instruments currently used by SAMHSA discretionary grantees providing direct services. Therefore, per the State of Alaska Procurement Regulations, Title 2 AAC 12.850 (b), this solicitation is being cancelled for the following reason:

- (1) the state no longer requires the supplies, **services**, or construction.

The Division of Behavioral Health will be reviewing the new federal requirements and will determine if another future solicitation will be needed.
