SECTION 1. INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE ITB

The Department of Public Safety, Division of Administrative Services, on behalf of Aircraft Section, is looking to lease hangar space in King Salmon, Alaska. A more detailed description is provided in Section 2 Lease Provisions.

SEC. 1.02 BUDGET

Department of Public Safety, Division of Administrative Services, estimates a budget of between **\$500,000.00** and **\$900,000.00** dollars for this contract. Bids priced at more than **\$901,000.00** will be considered non-responsive.

Approval or continuation of a contract resulting from this ITB is contingent upon legislative appropriation.

SEC. 1.03 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than **1:30pm** Alaska Time on **October 20, 2025**, at which time they will be publicly opened. Late bids or amendments will be considered non-responsive and will not be opened or accepted for evaluation.

SEC. 1.04 PRIOR EXPERIENCE

In order for a bid to be considered responsive the bidder must meet these minimum prior experience requirements:

- Bidder must own the property offered.

A bidder's failure to meet these minimum prior experience requirements will cause their bid to be considered non-responsive and rejected.

SEC. 1.05 REQUIRED REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the procurement officer at least ten days before the deadline for receipt of bids. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The procurement officer will make that decision.

PROCUREMENT OFFICER: Olivia Jewell – PHONE: 907-269-5647 – EMAIL: Olivia.jewell@alaska.gov

SEC. 1.07 RETURN INSTRUCTIONS

Bidders must submit one copy of their bid via email to dps.das.solicitations@alaska.gov. It must contain the ITB number in the subject line of the email. The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Similar to sending a hard copy bid, if you are emailing your bid, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bid.

It is the bidder's responsibility to contact the issuing agency at 907-269-5647 to confirm that the entire bid has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

SEC. 1.08 ASSISTANCE TO BIDDERS WITH A DISABILITY

The State of Alaska complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services, and/or special modifications to submit a bid should contact the Procurement Officer no later than ten days prior to the closing of the bid to make any necessary arrangements.

SEC. 1.09 AMENDMENTS TO BIDS

Amendments to or withdrawals of bids will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of bids, in accordance with 2 AAC 12.140. No amendments or withdrawals will be accepted after the deadline unless the delay is due to an error of the contracting agency, in accordance with 2 AAC 12.160.

SEC. 1.10 AMENDMENTS TO THE ITB

If an amendment is issued before the deadline for receipt of bids, the amendment will be posted on the State of Alaska Online Public Notice (OPN) website. The link to the posting of the amendment will be provided to all who were notified of the ITB and to those who have registered with the procurement officer after receiving the ITB from the OPN.

SEC. 1.11 ITB SCHEDULE

The ITB schedule below represents the State of Alaska's best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of bids, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Standard Time (AST).

ACTIVITY	TIME	DATE

Notice of Intent to Award	Week of	October 20, 2025

Contract Issued	Week of	October 27, 2025

This ITB does not, by itself, obligate the state. The state's obligation will commence when the contract is approved by the Commissioner of the Department of Public Safety, or the Commissioner's designee. Upon written notice to the contractor, the state may set a different starting date for the contract. The state will not be responsible for any work done by the contractor, even work done in good faith, if it occurs prior to the contract start date set by the state.

SEC. 1.12 ALTERNATE BIDS

Bidders may only submit one bid for evaluation. In accordance with 2 AAC 12.830 alternate bids (bids that offer something different than what is asked for) will be rejected.

SEC. 1.13 SUPPORTING INFORMATION

Provided a bid meets the requirements for a definite, firm, unqualified, and unconditional offer, the state reserves the right to request supplemental information from the bidder, after the bids have been opened, to ensure that the products or services offered completely meet the ITB requirements. The requirement for such supplemental information will be at the reasonable discretion of the state and may include the requirement that a bidder will provide a sample product(s) so that the state can make a first-hand examination and determination.

A bidder's failure to provide this supplemental information or the product sample(s), within the time set by the state, may cause the state to consider the offer non-responsive and reject the bid.

SEC. 1.14 FIRM, UNQUALIFIED, AND UNCONDITIONAL OFFER

To be responsive a bid must constitute a definite, firm, unqualified and unconditional offer to meet all the material terms of the ITB. Material terms are those that could affect the price, quantity, quality, or delivery. Also included as material terms are those which are clearly identified in the ITB, and which must be complied with at risk of bid rejection for non-responsiveness.

1. **GENERAL:** These conditions shall govern unless specifically modified by the Special Conditions.
2. **LEASE AGREEMENT:** The lease agreement resulting from the award of this Invitation to Bid will be prepared by the State and will include all the terms and conditions of the Invitation to Bid.
3. **DELIVERY AND CONDITIONS OF PREMISES:** The space shall be delivered ready for occupancy on the date required under the award of this lease. The term “ready for occupancy” requires the space to meet all the requirements of the bid document and receive and receive a Certificate of Occupancy (where applicable) from an appropriate building official. If the jurisdiction in which the premises are located does not provide a Certificate of Occupancy, the state may at its own discretion require an occupancy inspection in lieu of the Certificate of Occupancy. The state reserves the right to determine when the space is ready for occupancy. If new construction is offered, incremental completion, inspection and occupancy of individual units may be considered by the State with a commensurate adjustment to the lease.
4. **RESTORATION LIABILITIES:** The State is not liable for restoration of improvements required to meet the specification requirements set forth by this Invitation to Bid and those made prior to final acceptance for occupancy.
5. **CHANGES:** Changes in the space proposed either by the successful bidder or by the State after acceptance of the offer, shall be mutually agreed upon by both parties in writing before such changes are actually accomplished.

6. **FIRE PREVENTION:** The successful bidder shall maintain the premises in keeping with good fire prevention practices. The State reserves the right at reasonable times to enter and make fire prevention and fire protection inspections of the building and space occupied. If any fire hazard is detected through inspection of the building, it shall be promptly corrected by the successful bidder.
7. **ACCIDENT HAZARD:** The successful bidder shall maintain the building free of structural or mechanical hazards. If any accident hazards relative to the structure or building operating equipment are detected through inspections of the space, they shall be promptly corrected by the successful bidder.
8. **INTERRUPTION OF UTILITIES AND SERVICES:** In the event that, in the reasonable judgment of the Lessee the lawful enjoyment of the demised premises is threatened by the interruption or severance of utilities and services provided hereunder the Lessor, and when such interruption or severance is due to deliberate, or negligent, or tacitly negligent act of the Lessor, the Lessee shall have the right to bind such utilities and services as are threatened, in the name of the Lessee. The Lessee shall be free to deduct from the lease payments and costs of such utilities and services, together with all necessary deposits and the Lessee's actual administrative costs necessary to procure the utilities and services.
9. **MAINTENANCE AND REPAIR:** The successful bidder shall assume sole responsibility for the maintenance of the demised premises. This responsibility encompasses keeping the premises in good repair and tenantable condition. The term "repair" includes repairs of any type including but not limited to exterior and interior, structural and nonstructural, routine or periodic, except as in case of damage arising from the negligence of the State's agents or employees. The successful bidder agrees that after reasonable notice in writing by the State to the effect that the repair, maintenance, or service obligations as specified herein for the demised premises have not been satisfactorily fulfilled, the State can then obtain competent workers to correct the deficiencies. All related costs shall be paid for by the successful bidder either by direct payment or by the State making the payment to the workers and reducing the rent accordingly. Lessor shall provide name and phone number of local point of contact for maintenance service requests.
10. **TENANTABILITY:** Facilities provided must be tenantable and comply with all laws pertaining to tenantability and the performance of this provision. The Lessor agrees to pay the cost of any building alterations which may be needed for purposes of correcting any casualty damage or any violation of a law cited by a regulatory agency. If the premises or any part thereof are rendered untenable by casualty or public authority, a proportionate part of the rent, according to the extent of such untenability, will be abated and suspended until the premises are again made tenantable and restored to their former condition.

If the premises or a substantial part thereof are rendered untenable and so remain for a period of ten (10) days, the Lessee may, at its option, terminate the lease by written notice to the Lessor. This ten (10) day period shall not be so restrictively construed that the Lessee is bound to remain in the leased facility if the Lessee's business cannot be safely executed. The Lessee's determination shall be controlling regarding tenantability. If untenable conditions are determined to exist, the Lessee has the right to move elsewhere.

If the premises are made tenantable again within the ten (10) day period the Lessee will return to the facility. The Lessee has the right to recover any excess costs, over the abated lease payments, occasioned by relocation due to such untenable conditions.

In the event the Lessor fails to correct damage or violation(s) within the ten (10) day period the Lessee will have the right to terminate the lease, or will have the option of hiring competent workers to correct the damage or violation(s). The Lessor will bear the cost of all such labor and materials. The Lessor agrees that damage or violations corrections performed by the Lessee will not be construed to constitute a breach of the terms of this Invitation to Bid and the subsequent lease.

11. **PEACEFUL OCCUPANCY:** If the State shall pay the rent as provided by the lease issued as a result of this Invitation to Bid and shall keep, observe and perform all of the other covenants of the lease by it to be kept, performed and observed, the State shall and may peaceably and quietly have, hold, and enjoy the premises for the term of such lease.
12. **PAYMENT DEFAULT:** If the State shall at any time be in default in the payment of rent, or in the performance of any of the terms of the lease issued as a result of this Invitation to Bid and shall fail to remedy such default within sixty (60) days after written notice thereof from the successful bidder. It shall be lawful for the successful bidder to enter upon the premises and repossess and enjoy the same as if the lease and everything therein contained on the part of the successful bidder to be done and performed shall cease and terminate without prejudice, however, to the right of the successful bidder to recover from the State all rent due up to the time of such entry. In case of any default and any entry by the successful bidder, the successful bidder may relet the premises for the remainder of the term for the highest rent obtainable and may recover from the State any deficiency between the amount so obtained and rent specified by the lease.
13. **EXTENSION:** Any holding over after the expiration date of the lease issued as a result of this Invitation to Bid or any extension of rent thereof, shall be construed to be a tenancy from month-month at the same monthly rental and on the terms and conditions as specified by the lease.
14. **TERMINATION:** The payments of rent by the State are subject to appropriation of funds by the Legislature of the State of Alaska and the lease issued as a result of this Invitation to Bid may be terminated due to lack of such appropriations.
15. **DELAYS:** Time is of the essence. Delays in completing the building or in installation of the equipment and furnishings by the successful bidder due to unforeseeable causes beyond the control and without fault or neglect of the successful bidder may be excused. Unforeseeable causes may include but are not limited to: (1) act of God, (2) public enemy, (3) act of the Government or State in either its sovereign or contractual capacity, (4) acts of another contractor in the performance or a contract with the Government or State, (5) fires, (6) floods, (7) epidemics quarantine restrictions, (8) strikes, (9) freight embargoes, (10) unusual severe weather conditions, and (11) delays by subcontractors or suppliers unusual in nature. Notification of such delays must be made to the State's Contracting Officer in writing within ten (10) days of the commencement of the unforeseeable cause. The State's Contracting Officer shall ascertain the facts and the extent of delay and the extent of the time for completing the project. The State's Contracting Officer may approve an extension when, in his/her judgment, the findings of fact justify an extension. This finding of fact thereon shall be final and conclusive, unless the successful bidder shall appeal to the Commissioner of Administration pursuant to AS 36.30.620. If no such appeal to the Commissioner of Administration is taken, the decision of the Contracting Officer shall be final and conclusive.

Pending final decision on an extension of time hereunder, the successful bidder shall proceed diligently with the performance of the contract. Inability to comply with State, City, or local construction or zoning laws or ordinances or restrictive covenants shall not be regarded as unforeseeable cause. However, if the successful bidder shall acquire the property and interest therein through assignment from the State and the course of such acquisition the successful bidder is unable to comply with such laws or ordinances or restrictive covenants, then the agreement shall become terminated with no further liability on the part of either party unless such laws, ordinances or restrictive covenants are suitably changed or removed.

16. **STATE'S RESPONSIBILITIES:** The State will: (1) Pay said rent at the times and place to the successful bidder in advance on the first day of each and every month of said term of lease. (2) Pay all utilities (3) Use and occupy the premises in a careful and proper manner. (4) Not use or occupy the premises for any unlawful purposes. (5) Not use or occupy the premises or permit the same to be occupied for any purpose deemed extra-hazardous on account of fire or otherwise. (6) Make no alterations or additions in or to the premises without the written consent of the successful bidder. (7) Permit the successful bidder to enter upon the premises at all reasonable times to examine the conditions of same.
17. **HOLD HARMLESS:** The Lessor shall indemnify, save harmless, and defend the State, its officers, agents, and employees, from liability of any nature of kind, including costs and expenses for or on account of any and all suits or damages of any character whatsoever resulting from injuries or damages sustained by any person or persons or property by virtue of any act performed by the Lessor or the Lessor's agents and employees pursuant to this lease; the Lessor shall also assume all insurable risks and bear any loss or injury to property or persons occasioned by neglect or accident during the tenure of this lease, excepting only sole negligence of the Lessee.
18. **INSURANCE:** Without limiting contractor's indemnification, it is agreed that the contractor will purchase at its own expense and maintain in force at all times during the performance of services under this agreement the following policies of insurance. Where specific limits are shown, it is understood that they shall be the minimum acceptable limits. If the Contractor's policy contains higher limits, the State will be entitled to coverage to the extent of such higher limits. Certificates of Insurance must be furnished to the contracting officer, which must provide for a 30-day prior notice of cancellation, nonrenewal or material change.

Proof of insurance is required prior to award for the following:

- A. **WORKER'S COMPENSATION INSURANCE:** The contractor shall provide and maintain, for all employees for the contractor engaged in work under this contract, Worker's Compensation Insurance as required by AS 23.30.045. The contractor will be responsible for Worker's Compensation Insurance for any Subcontractor who directly or indirectly provides services under this contract. This coverage must include statutory coverage for states in which employees are engaging in work and employer's liability protection not less than \$100,00 per person, \$100,00 per occurrence. Where applicable, coverage for all federal acts (i.e. U.S.L. & H. And Jones Acts) must also be included.

Failure to supply satisfactory proof of insurance within the time required will cause the State to declare the bidder nonresponsible and to reject the bid.

SEC. 2.02 CONTRACT TERM

The length of the contract will be from the date of award, approximately **December 1, 2025**, through **November 30, 2028**, with the option to renew for **seven** additional **one-year** terms under the same terms and conditions as the original contract. Renewals will be exercised at the sole discretion of the state.

Unless otherwise provided in this ITB, the State and the successful bidder/contractor agree: (1) that any extension of the contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect and (2) the procurement officer will provide notice to the contractor of the intent to cancel such month-to-month extension at least 30 days before the desired date of cancellation. A month-to-month extension may only be executed by the procurement officer via a written contract amendment.

SEC. 2.03 CONTRACT TYPE

This contract is a FIRM FIXED PRICE contract.

SEC. 2.04 PAYMENT FOR STATE PURCHASES

No payment will be made until the contract is approved by the Commissioner of the Department of Public Safety or the Commissioner's designee. Under no conditions will the state be liable for the payment of any interest charges associated with the cost of the contract. The state is not responsible for and will not pay local, state, or federal taxes. All costs associated with the contract must be stated in U.S. currency.

Payment for agreements under \$500,000 for the undisputed purchase of goods or services provided to a state agency, will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later. A late payment is subject to 1.5% interest per month on the unpaid balance. Interest will not be paid if there is a dispute or if there is an agreement that establishes a lower interest rate or precludes the charging of interest.

SEC. 2.05 ELECTRONIC PAYMENTS

The State of Alaska prefers vendors receive payment via Electronic Funds Transfer (EFT). Bidders may review information concerning the EFT process and access the [Electronic Payment Agreement Form for Vendors](https://doa.alaska.gov/dof/vendor.html) at the following link: <https://doa.alaska.gov/dof/vendor.html>. Method of payment is not a factor in the State's determination for award.

Any single contract payments of \$1 million or higher must be accepted by the contractor via Electronic Funds Transfer (EFT).

SEC. 2.06 CONTRACT ADMINISTRATION

The administration of this contract is the responsibility of the procurement officer or person appointed by the Department of Public Safety, Division of Administrative Services.

SEC. 2.07 CONTRACT PRICE ADJUSTMENTS

A contract resulting from this ITB will include the following price adjustment clause:

Consumer Price Index (CPI): Contract prices will remain firm through **December 31, 2026**.

The Contractor or State may request price adjustments, no sooner than 12 months from the Contract execution date, and no more than once per contract year. Contractors must submit a request to the State at least thirty (30) days prior to the end of the current term. All Requests must be in writing and must be received 30 days prior to the Contract renewal date.

- a. If the Contractor or State fail to request a CPI price adjustment 30 days prior to the Contract renewal date, the adjustment will be effective 30 days after the State or Contractor receives their written request.
- b. Price adjustments will be made in accordance with the percentage change in the U.S. Department of Labor, Bureau of Labor and Statistics, Consumer Price Index (CPI-U) for All Urban Consumers, All Items, Urban Alaska.
- c. The price adjustment rate will be determined by comparing the percentage difference between the CPI in effect for the base year reported HALF1 (January through June 2025) (depends on the timing, may be HALF2 for July-December); and each HALF1 (or HALF2) thereafter. The percentage difference between those two CPI issues will be the price adjustment rate. No retroactive contract price adjustments will be allowed. All price adjustments must be approved by the Procurement Officer prior to the implementation of the adjusted pricing. Approval shall be in the form of a Contract Amendment issued by the Procurement Officer.
- d. Approval for all price increases is dependent upon full compliance with the terms of the Contract including reporting requirements.

The Base Monthly Lease Cost is the total monthly lease cost offered in this ITB. The formula is expressed as:

$[(35\% \times \text{Base Monthly Lease Cost}) \times \% \text{ change in CPI}] + \text{Base Monthly Lease Cost} = \text{Adjusted Monthly Lease Cost}.$

Example: If the base monthly lease cost was \$1,000.00 per month, with a 35% variable factor and a 10% change in the CPI, the adjusted lease cost would be computed as follows:

- A. $[(35\% \times \$1,000.00) \times 10\%] + \$1,000.00 = \text{Adjusted Lease Cost}$
- B. $[350.00 \times 10\%] + \$1,000.00 = \text{Adjusted Lease Cost}$
- C. $\$35.00 + \$1,000.00 = \$1035.00$ (new monthly lease cost)

RETROACTIVE ADJUSTMENTS WILL NOT BE ALLOWED.

All price adjustments must be approved by both the contractor and the procurement officer prior to the implementation of the adjusted pricing. Approval shall be in the form of a contract amendment issued by the procurement officer and signed by the contractor.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

The contractor shall not be required to indemnify the contracting agency for a claim of, or liability for, the independent negligence of the contracting agency. If there is a claim of, or liability for, the joint negligent error or omission of the contractor and the independent negligence of the contracting agency, the indemnification and hold harmless obligation shall be apportioned on a comparative fault basis.

“Contractor” and “contracting agency”, as used within this and the following article, include the employees, agents and other contractors who are directly responsible, respectively, to each. The term “independent negligence” is negligence other than in the contracting agency’s selection, administration, monitoring, or controlling of the contractor and in approving or accepting the contractor’s work.

Certificates of Insurance must be furnished to the procurement officer prior to contract approval and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. If the bidder believes that certain taxes are payable by the state, the bidder may list such taxes separately, directly below the bid price for the affected item.

SEC. 4.09 EXTENSION OF PRICES

In case of error in the extension of prices in the bid, the unit prices will govern; in a lot bid, the lot prices will govern.

SEC. 4.10 METHOD OF AWARD

Award will be made to the lowest responsive and responsible bidder. To be considered responsive, bidders must bid on all items.

SEC. 4.11 CONTRACTOR SELECTION PROCESS

Once the contracts are established this selection process will be used. When the state needs to order the product or service, the lowest priced contractor for that location will be contacted first. If, for any reason, the lowest contractor is not available to perform the needed service, the state will contact the next lowest priced contractor for that location. This process will continue until a contractor who can perform the service is located. The location of the contractor initially contacted will be determined by the starting location of the call-out. For example, if there was a need to transport a person from Anchorage to Fairbanks and then guard the person for two days in Fairbanks, the agency would contact Anchorage contractors, even though a substantial portion of the actual service would be performed in Fairbanks.

SEC. 4.12 NOTICE OF INTENT TO AWARD

After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. It lists the name of each company or person that offered a bid and the price they bid. It also provides notice of the state's intent to award a contract(s) to the bidder(s) indicated. A copy of the Notice of Intent will be sent to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the procurement officer. A company or person who proceeds prior to receiving a Purchase Order, Contract Award, Lease, or some other form of written notice from the procurement officer does so without a contract and at their own risk.

SECTION 5. GENERAL PROCESS AND LEGAL INFORMATION

When the contract is completed, an informal debriefing may be performed at the discretion of the procurement officer. If performed, the scope of the debriefing will be limited to the products provided or work performed by the contractor.

SEC. 5.06 SPECIFICATIONS

Unless otherwise specified in this ITB, product brand names or model numbers specified in this ITB are examples of the type and quality of product required and are not statements of preference. If the specifications describing an item conflict with a brand name or model number describing the item, the specifications govern. Reference to brand name or number does not preclude an offer of a comparable or better product, if full specifications and descriptive literature are provided for the product. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

SEC. 5.07 WORKMANSHIP AND MATERIALS

All work must be performed in a thorough and workmanlike manner and in accordance with current industry practices. The contractor will be held responsible for the quality of the service, maintenance, and inspections. Service, maintenance, and inspections that are improperly done will be redone, by the contractor, at the contractor's risk and expense.

SEC. 5.08 CONTRACTOR SITE INSPECTION

The state may conduct on-site visits to evaluate the bidder's capacity to perform the contract. A bidder must agree, at risk of being found non-responsive and having its bid rejected, to provide the state reasonable access to relevant portions of its work sites. Individuals designated by the procurement officer at the state's expense will make site inspection.

SEC. 5.09 ORDER DOCUMENTS

Except as specifically allowed under this ITB, an ordering agency will not sign any vendor contract. The state is not bound by a vendor contract signed by a person who is not specifically authorized to sign for the state under this ITB. Unless otherwise specified in this ITB, the State of Alaska Purchase Order, Contract Award and Delivery Order are the only order documents that may be used to place orders against the contract(s) resulting from this ITB.

SEC. 5.10 HUMAN TRAFFICKING

By signature on their bid, the bidder certifies that the bidder is not established and headquartered or incorporated and headquartered in a country recognized as Tier 3 in the most recent United States Department of State's Trafficking in Persons Report.

The most recent United States Department of State's Trafficking in Persons Report can be found at the following website: <http://www.state.gov/j/tip/>

Failure to comply with this requirement will cause the state to reject the bid as non-responsive or cancel the contract.

SEC. 5.11 RIGHT OF REJECTION

Bidders must comply with all the terms of the ITB, the State Procurement Code (AS 36.30), and all applicable local, state, and federal laws, codes, and regulations. The procurement officer may reject any bid that does not comply with all the material and substantial terms, conditions, and performance requirements of the ITB.

Bidders may not qualify the bid nor restrict the rights of the state. If a bidder does so, the procurement officer may determine the bid to be a non-responsive counteroffer and the bid may be rejected.

Minor informalities that:

- do not affect responsiveness,
- are merely a matter of form or format,
- do not change the relative standing or otherwise prejudice other bidders,
- do not change the meaning or scope of the ITB,
- are trivial, negligible, or immaterial in nature,
- do not reflect a material change in the work, or
- do not constitute a substantial reservation against a requirement or provision,

may be waived by the procurement officer.

The state reserves the right to refrain from making an award if it is determined to be in the state's best interest.

A bid from a debarred or suspended bidder shall be rejected.

SEC. 5.12 STATE NOT RESPONSIBLE FOR PREPARATION COSTS

The state will not pay any cost associated with the preparation, submittal, presentation, or evaluation of any bid.

SEC. 5.13 DISCLOSURE OF BID CONTENTS

This section governs the ownership, return, and disclosure of any offer or other record a bidder submits in response to this invitation to bid. (Herein, any reference to "Record" includes all such records and the offer; any reference to "Law" includes any federal or State of Alaska (State) law, including any court or administrative order or rule.)

1. All Records belong to the State.

2. The State has sole discretion regarding whether to return any Record. In exercising this discretion, the State will comply with all Laws.
3. Unless a notice of intent to award is issued, the State will, to the extent permitted by Law, consider all Records confidential and not subject to the Alaska Public Records Act (APRA).
4. If, and when a notice of intent to award is issued, the State will consider nonconfidential any Record unless, at the time of submission, the bidder undertook the following protective measures:
 - a. marked information confidential;
 - b. for any information marked confidential, identified the authority that makes that specific information confidential; and
 - c. committed, in writing, to explain in detail, including with affidavits and briefs, why each authority applies in any court or administrative proceeding in which any nondisclosure is challenged.
5. If the bidder did not undertake each protective measure, the State will not consider any information in a Record confidential: the State will disclose the entire Record without any redaction in response to an APRA or other request or, if it chooses, in the absence of a request and the State will disclose the entire Record without notifying the bidder.
6. If the bidder undertook each protective measure, the State will withhold the information marked confidential to the following extent:
 - a. the State agrees that the Law protects the information; and
 - b. if the nondisclosure is challenged, the bidder fulfills its commitment to explain, including with affidavits and briefs, how each authority applies to the information marked confidential.
7. The State will only notify a bidder of a request for the Record and of a planned release if the bidder undertook each protective measure, but the State disagrees that the marked information is protected. If there is such a disagreement, then before releasing the Record, the State will, to the extent permitted by Law and practicable, notify the bidder that it will disclose the information unless the bidder convinces the State not to or obtains an order prohibiting disclosure.

SEC. 5.14 ASSIGNMENTS

Per 2 AAC 12.480, the contractor may not transfer or assign any portion of the contract without prior written approval from the procurement officer. Bids that are conditioned upon the state's approval of an assignment will be rejected as non-responsive.
