Justice-Involved Youth
Our file: 2025200165

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the Department of Health against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Department of Health after the close of the public comment period.

The regulations concern Medicaid coverage and payment for justice-involved youth: services provided during the period surrounding a recipient's release from incarceration as an inmate of a public institution

The August 15, 2025 public notice and the October 10, 2025 adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.060 is not required.

No technical corrections were necessary to conform the regulations in accordance with AS 44.62.060.

Sincerely,

STEPHEN J. COX
