This amendment serves to answer questions submitted by potential bidders.

Questions submitted by potential offerors and answers from the state:

Q1: I was reviewing the ITB in reference re: Semi-Annual Services, and it states that services are to be performed only if requested by the Building Manager, and shall occur during the last week of April on a Friday, Saturday, or Sunday. Since this is listed as a semi-annual service (twice a year), could you please clarify what the second month would be?

A1: The second month will be October.
