The Division of Mining, Land, and Water (DMLW) has received a Land Use Permit (LUP) application from Eric Pyne dba Lake Creek Exploration to clear and temporarily store at a preexisting equipment staging area. The intended use would be in support of mining activities on Myrtle creek. Lake Creek Exploration proposes to use the staging location as parking for equipment, highway vehicles, and off-road vehicles, and storage for two 40' van trailers as secure storage and living quarters. 50 gallons of Gasoline and 50 gallons of Heating Oil would be stored inside the van trailers. The applicant also proposes to construct a single pit privy.

The proposed site is located approximately 2,000 feet east of milepost 175 off the Dalton Highway on the RST 9 Coldfoot-Chandalar Lake Trail.
