**The following changes/additions are required:**

- 1. Deadline for the receipt of bids is extended to **October 23<sup>rd</sup>, 2025.**

**Responses to Questions Received by Offerors**

**Question 1:** ICS holds the current contract on Cadet Hygiene Kits- Contract # MA 240000111 and we still have 2 renewal options left. Is this a new contract taking the place of the one we currently have with you?

**Answer:** Under no circumstance are we wanting to get rid of or replace MA 240000111 as ICS has been a great vendor supplying fully built Cadet Hygiene kits.

**Question 2:** The orders for the current contract are for complete pre-made hygiene kits. Will these be ordered the same way or components ordered separately?

**Answer:** AMYA will continue to order pre-made hygiene kits per MA 24\*111. Typically, we order twice a year to supply for both classes.

**Question 3:** There are a lot of additional and different items requested this go around, most of which state no substitutions. Please advise if the items we currently provide are acceptable.

**Answer:** AMYA is specifically looking for the items listed in ITB 26\*005

**In order for your bid to be considered responsive for all items, this amendment, in addition to your original bid, must be received by the issuing office of the Division of Administrative Services prior to the time set for the bid opening.**
