7. OLD BUSINESS

A. Open Access Transmission Tariff, RCA Matter #TA1-8001

Tina Grovier, Stoel Rives, stated the docket continues to move at a fast clip. On October 8, 2025, the Commission issued its Order No. 6, granting motion to accept late file petition to intervene and granting petitions to intervene. She said the RTO now has fifteen (15) parties in the docket. On October 10, 2024, the RTO filed our responses to the second round of comments, and the discovery period also closed that date. The RTO did receive discovery from AKPRG and REAP, and those responses are due Monday. She continued that the RTO responses to Commission Order 5, which I mentioned in my last report, are also due on Monday. She said there are matters related to these topics as well as expert witness contract, subcommittees and next steps in docket U-25-028, including tasks related to the RCA's issuing questions to discuss in executive session, the immediate knowledge of which could have an adverse effect on the legal and financial position of the RTO and or the committee members.

MOTION: A motion was made by Mr. Clarkson to enter into Executive Session to discuss matters, the immediate knowledge of which could have an adverse effect related to RTO finances and legal strategy. This is consistent with our Bylaws, which allow the Board to consider confidential matters in executive session, and in this case, the RTO believes that these are subjects that would have an adverse effect on the finances of the RTO and are being discussed with an attorney, the immediate knowledge of which could have an adverse effect on the financial or legal position of the Committee or are protected by law due to rules protecting personal privacy and certain business information. Motion seconded by Mr. Zellers.

A roll call was taken, and the motion to enter into Executive Session passed unanimously.

8. EXECUTIVE SESSION – 9:09 am. (Bylaws Section 5.12.3) To discuss matters, the immediate knowledge of which could have an adverse effect on the finances or legal position of the RTO, the Committee or Authority, or that are confidential under state, federal, or local law.

The RTO Governance Committee reconvened its regular meeting at 9:40 a.m. Chair Million advised that the RTO did not take any formal action on the matters discussed while in executive session, except as authorized by Bylaws Section 5.12.2, to give direction to an attorney or negotiator regarding the handling of a specific legal matter or pending negotiation.

9. NEW BUSINESS

A. Order 5 Requiring Filings in RCA Docket U-25-028

MOTION: A motion was made by Mr. Zellers that the RTO approve Chair Million to work with counsel and any relevant witnesses to finalize and file the information requested in

RCA Order 5 in docket U-25-028 on October 20, 2025, with the understanding that no material changes will be made without bringing the filing back to the committee. Motion seconded by Mr. Clarkson.

A roll call was taken, and the motion passed unanimously.

B. Potential contract with NewGen Strategies and Solutions, LLC and Stoel Rives

MOTON: A motion was made by Mr. Zellers that the RTO authorize Chair Million and counsel finalize and execute the contract for NewGen Strategies and Solutions, LLC, and the amendment to the Stoel-Rives, LLC contract to reference that consulting firm. Motion seconded by Mr. Clarkson.
