THIS IS NOT AN ORDER

DATE AMENDMENT ISSUED: 10/30/2025

ITB TITLE: OFFICE TRAILER – MATERIALS LAB

INFORMATIONAL AMENDMENT

THIS AMENDMENT SERVES TO:

1. Answer a question from a vendor. A vendor asked the following question:

Q1: *“On your guys’ plans, they say you are requiring double axles underneath this unit. I know you just extended a bit or sent out some questions, so I’m wondering what are you actually going to be pulling this thing with? Are you looking for like a bumper pole or alike a container chassis that you’re going to pull around with a semi?”*

A1: The trailers get pulled around by semis to wherever we need the mobile office. Locations change due to job locations changing so mobility is key.
