SUBJECT: Delegation of Authority

This memorandum shall serve as delegation of authority to Deputy Attorney General Cori Mills to make all decisions and take all actions necessary to ensure appropriate representation of the State in matters related to the Pebble Mine. Although no conflicts of interest have been identified, I previously worked at an investment platform for Bristol Bay Native Corporation. To avoid even the appearance of a conflict, I am delegating my authority in this matter. By a separate memorandum, I will be screened from any files related to a particular matter for which I have delegated my authority.
