## **Questions submitted by potential Offerors and answers from the State:**

### **Question 1:**

- A) Please confirm if Alaska has opted out of any of their current PBM's standard formulary proposed exclusions for the active population over the past 5 years?
- B) And if so, how many?

### **Answer:**

- A) Historical formulary or clinical decisions made by the State for our active population over the past five years are not included as part of the RFP. The claims file should provide offerors with a comprehensive overview of the current drug mix for the active population.
  - B) See A above.
- 

### **Question 2:**

Do you have recommendations for balancing deidentification with effectively presenting the portal's functionality, or examples of best practices for submissions of this nature?

### **Answer:**

Offerors are responsible for ensuring that all submitted materials comply with the anonymity requirements outlined in the RFP. Offerors must use their best judgment to meet these requirements. No additional guidance will be provided beyond the requirements stated in the solicitation.
