Questions submitted by potential bidders and answers from the state:

Question 1: The IFQ bonding requirements specify that a bid bond, payment bond, and performance bond are not required for this project. However, the Offeror's Checklist indicates that a completed bid bond (Form 25D-14) is required to be included with our proposal. Please advise.

Answer: Bid bond is not required for this project.

Question 2: The Subcontractors List (Form 25D-5) states that the apparent low bidder shall complete and submit this form. The Offeror's Checklist includes a line item for a completed subcontractors list (if applicable). Please advise if this list should be included with our bid

Answer: The subcontractor list does not need to be included with your bid for it to be considered responsive. The apparent low bidder will be notified to submit this list once all bids have been assessed.
