SECTION 1. INTRODUCTION & INSTRUCTIONS

SEC. 1.01 PURPOSE OF THE ITB

The Department of Natural Resources, Alaska Mental Health Trust Land Office (TLO) is soliciting bids for a qualified contractor to provide as needed round-trip barge transportation services between Anchorage, Homer or Seward, Alaska to Icy Cape, Alaska over a five-year term at approximately two-three trips per season as specified within this ITB.

SEC. 1.02 BUDGET

The budget is for a maximum of **\$2,600,000.00**. The services are on an as-needed basis and under the direction of DNR. The budget is an estimate only and does not represent a work commitment.

Approval or continuation of a contract resulting from this ITB is contingent upon legislative appropriation.

SEC. 1.03 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than **2:00 PM** Alaska Time on **January 30, 2026**, at which time they will be publicly opened. Late bids or amendments will be considered non-responsive and will not be opened or accepted for evaluation.

SEC. 1.04 PRIOR EXPERIENCE

No specific minimums have been set for this ITB.

SEC. 1.05 REQUIRED REVIEW

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the Procurement Officer at least 10 days before the deadline for receipt of bids. This will allow time for an addendum to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS

All questions must be in writing and directed to the Procurement Officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The Procurement Officer will make that decision.

Deadline for receiving questions is **January 20, 2026**, by **2:00 PM** Alaska Time.

Procurement Officer: **LILLY K. CONDUCY** – PHONE **1 (907) 269-0998** –TDD/TTY: 711 (Alaska Relay); Email: lilly.conducy@alaska.gov.

SEC. 1.07 SITE INSPECTION

Not applicable to this ITB.

SEC. 1.08 RETURN INSTRUCTIONS

If submitting a bid via email, the bid may be emailed to lilly.conducy@alaska.gov and must contain the ITB number in the subject line of the email. The **maximum** size of a single email (including all text and attachments) that can be received by the State is **20 megabytes**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes, and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Like when sending a hard copy bid, if you are emailing your bid, the State recommends sending it ahead of time to ensure the email is delivered by the deadline for receipt of bids.

If submitting bids using U.S. mail, or delivery service, bidders must submit one hard copy of their bid, in writing, to the Procurement Officer in a sealed package. The sealed bid package must be addressed as follows:

Enrollment can be done online at the following link: <https://iris-vss.alaska.gov>. Bidders who are not enrolled prior to award of a contract will be notified by the Procurement Officer. Failure of a bidder to enroll in the IRIS database will delay award of the contract and may delay issuance of contract work.

Amendments to or withdrawals of bids will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of bids, in accordance with 2 AAC 12.140. No amendments or withdrawals will be accepted after the deadline unless the delay is due to an error of the contracting agency, in accordance with 2 AAC 12.160.

SEC. 1.12 ADDENDUMS TO THE ITB

If an addendum is issued before the deadline for receipt of bids, the addendum will be posted on the State of Alaska Online Public Notice (OPN) website. The link to the posting of the addendum will be provided to all who were notified of the ITB and to those who have registered with the Procurement Officer after receiving the ITB from the OPN.

A copy of the Notice of Intent will be sent to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the Procurement Officer. - are merely a matter of form or format,
- do not change the relative standing or otherwise prejudice other bidders,
- do not change the meaning or scope of the ITB,
- are trivial, negligible, or immaterial in nature,
- do not reflect a material change in the work, or
- do not constitute a substantial reservation against a requirement or provision,

may be waived by the Procurement Officer.

If the bidder does not do these things, the information will become public after the Notice of Intent to Award is issued. If the bidder does these things, OPPM or their designee will evaluate the bidder's assertion upon receiving a request for the information. If OPPM or their designee reject the assertion, they will, to the extent permitted by federal and State of Alaska law, undertake reasonable measures to give the bidder an opportunity to object to the disclosure of the information.

SEC. 5.16 ASSIGNMENTS

The Contractor asserts that the information redacted in the attached copy of the contract is protected under federal or State of Alaska (State) law. If the nondisclosure of any such information is contested, the Contractor will identify each authority that supports each nondisclosure, explain in detail why the authority supports the nondisclosure, provide a detailed affidavit supporting each nondisclosure, and otherwise fully support the State in defending each nondisclosure—e.g., provide briefs—in any court or administrative proceeding. Not doing so constitutes a withdrawal of the assertion that any information is protected and a waiver of any confidentiality; doing so does not obligate the State to protect any information. The State will only notify the Contractor of an Alaska Public Records Act or other request for the contract if someone objects to the nondisclosure of the redacted information or the State decides to disclose the information.

7. No Additional Work or Material:

No claim for additional supplies or services, not specifically provided in this contract, performed or furnished by the Contractor, will be allowed, nor may the Contractor do any work or furnish any material not covered by the contract unless the work or material is ordered in writing by the Procurement Officer.

8. Independent Contractor:

The Contractor and any agents and employees of the Contractor act in an independent capacity and are not officers or employees or agents of the State in the performance of this contract.

9. Payment of Taxes:

As a condition of performance of this contract, the Contractor shall pay all federal, state, and local taxes incurred by the Contractor and shall require their payment by any subcontractor or any other persons in the performance of this contract. Satisfactory performance of this paragraph is a condition precedent to payment by the State under this contract.

10. Compliance:

In the performance of this contract, the Contractor must comply with all applicable federal, state, and borough regulations, codes, and laws, and be liable for all required insurance, licenses, permits and bonds.

11. Conflicting Provisions:

Unless specifically amended and approved by the State of Alaska, Department of Law, the terms of this contract supersede any provisions the Contractor may seek to add. The Contractor may not add additional or different terms to this contract; AS 45.02.207(b)(1). The Contractor specifically acknowledges and agrees that, among other things, provisions in any documents it sees to append hereto that purport to (1) waive the State of Alaska's sovereign immunity, (2) impose indemnification obligations on the State of Alaska, or (3) seek to limit liability of the Contractor for acts of Contractor negligence, are expressly superseded by this contract and are void.

12. Officials Not to Benefit:

The Contractor must comply with all applicable federal or State laws regulating ethical conduct of public officers and employees.

13. Contract Prices:

Contract prices for commodities must be in U.S. funds and include applicable federal duty, brokerage fees, packaging, and transportation cost to the FOB point so that upon transfer of title the commodity can be utilized without further cost. Prices for services must be in U.S. funds and include applicable federal duty, brokerage fee, packaging, and transportation cost so that the services can be provided without further cost.

14. Contract Funding:

Contractors are advised that funds are available for the initial purchase and/or the first term of the contract. Payment and performance obligations for succeeding purchases and/or additional terms of the contract are subject to the availability and appropriation of funds.

15. Force Majeure:

The parties to this contract are not liable for the consequences of any failure to perform, or default in performing, any of their obligations under this Agreement, if that failure or default is caused by any unforeseeable Force Majeure, beyond the control of, and without the fault or negligence of, the respective party. For the purposes of this Agreement, Force Majeure will mean war (whether declared or not); revolution; invasion; insurrection; riot; civil commotion; sabotage; military or usurped power; lightning; explosion; fire; storm; drought; flood; earthquake; epidemic; quarantine; strikes; acts or restraints of governmental authorities affecting the project or directly or indirectly prohibiting or restricting the furnishing or use of materials or labor required; inability to secure materials, machinery, equipment or labor because of priority, allocation or other regulations of any governmental authorities.

16. Contract Extension:

Unless otherwise provided, the State and the Contractor agree: (1) that any holding over of the contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect, and (2) to provide written notice to the other party of the intent to cancel such month-to-month extension at least 30 days before the desired date of cancellation.

17. Severability:

If any provision of the contract is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected; and the rights and obligations of the parties will be construed and enforced as if the contract did not contain the particular provision held to be invalid.

18. Continuing Obligation of Contractor:

Notwithstanding the expiration date of this contract, the Contractor is obligated to fulfill its responsibilities until warranty, guarantee, maintenance and parts availability requirements have completely expired.

19. Termination:

- a. The Procurement Officer, by written notice, may terminate this contract, in whole or in part, when it is in the best interest of the State. In the absence of a breach of contract by the Contractor, the State is liable only for payment in accordance with the payment provisions of this contract for services rendered before the effective date of termination.
- b. The Procurement Officer may also, by written notice, terminate this contract under Administrative Order 352 if the contractor supports or participates in a boycott of the State of Israel.

20. Governing Law; Forum Selection:

This contract is governed by the laws of the State of Alaska. To the extent not otherwise governed by Article 3 of this Appendix, any claim concerning this contract shall be brought only in the Superior Court of the State of Alaska and not elsewhere.
