**FOR THE FAC TO CONSIDER**

- Who can attend the Board of Fish Area M meeting, in person or on-line
- Any RCs (Record Copies) we might want to submit during the meeting
- Consider asking the Board of Fish to convene a statewide escapement goals workshop  
Include ASL (age-sex-length) data needs, comparative data on loss of age, size and abundance, spawning ground productivity/ assessing fecundity, “shifting baselines” syndrome, definitions of escapement goals and relativity to management practices (MSY), explanation of SE practice in counting Chinook according to size vs. just number

## UPCOMING DEADLINES

- (1) Board of Fish Statewide Finfish comments **due March 2, 2026**. These proposals will be reviewed at the February 9<sup>th</sup> FAC Fisheries SubCommittee meeting
- (2) Proposals are now being accepted for **Lower Cook Inlet area finfish, Upper Cook Inlet area finfish, and Kodiak Area finfish management areas** for the 2026-2027 Board of Fisheries meeting cycle. Please review the [2026/2027 Call for Proposals \(PDF 262 kB\)](#) For more detailed information. The board may also consider subsistence proposals for other topics (including other areas) under the subsistence proposal policy, 5 AAC 96.615, if proposals are submitted within this deadline and the board determines they meet the criteria in either 5 AAC 96.615(a)(1) or (2). **Proposal Deadline: April 10, 2026**
