Re: 20 AAC 15.935 - 17.062: ACPE - Loans, Grants, Scholarships, Reporting
Our file: 2025200015

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the Alaska Commission on Postsecondary Education against the statutory standards of the Administrative Procedure Act. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Alaska Commission on Postsecondary Education after the close of the public comment period.

The regulations update provisions regarding loans, grants, Alaska Performance Scholarships, and reporting.

The August 3, 2025 public notice and the October 14, 2025 certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.060 is not required.

We have made technical corrections and conforming amendments necessary to conform the regulations in accordance with AS 44.62.060. The corrections are incorporated into the attached copy of the regulations. Additionally, proposed changes to 20 AAC 16.210(a)(4) (now 20 AAC 16.210(b)) were disapproved due to lack of statutory authority. The disapproved changes are omitted from the attached copy of the regulations. Because of the omission of this text, the regulations are now eight pages rather than nine pages long.

Sincerely,

STEPHEN J. COX
