Subject: **Delta Western Sitka Samson Oil Discharge Prevention and Contingency Plan,  
DEC Plan #: 25-CP-5295; Public Comment Period for Additional Information**

Dear Mr. Palmer:

The Alaska Department of Environmental Conservation (DEC) received a response to its request for additional information (RAFI) regarding the Delta Western Sitka Samson Oil Discharge Prevention and Contingency Plan (plan) on August 15, 2025. In accordance with 18 AAC 75.455(d), there is a 10-day public comment period for the additional information received. This comment period is limited to the additional information submitted in response to DEC's RAFI.

The review schedule is designated as follows:

Start of comment period: January 27, 2026

End of comment period; public comments and RAFIs  
due by 5:00 pm: February 5, 2026

DEC will make a determination as to whether the application package is complete and notify Tessa Gottlob within seven working days of the end of comment period. However, if DEC determines that additional information is still needed, DEC will send another RAFI.

If you have any questions, please contact me at 907-538-3948 or [tessa.gottlob@alaska.gov](mailto:tessa.gottlob@alaska.gov).

Sincerely,
