Subject: **Delta Western Sitka Samson Oil Discharge Prevention and Contingency Plan,
DEC Plan #: 25-CP-5295; Request for Additional Information**

Dear Mr. Palmer:

The Alaska Department of Environmental Conservation (DEC) has reviewed the application package for the Delta Western Sitka Samson Oil Discharge Prevention and Contingency Plan (plan) received on August 15, 2025. DEC has determined that additional information is still needed before the application package can be determined complete. The enclosed table outlines these issues.

Any changes made to the plan must be clearly identified. Please also provide a summary of the changes made to the plan with explanations and supplementary information for the changes where necessary. This information can be added to the enclosed table. In order to continue a timely review by DEC, the additional information should be submitted by January 23, 2026.

If you have any questions, please contact me at 907-538-3948 or Tessa.gottlob@alaska.gov.

Sincerely,
