Questions Submitted by Vendors

Question 1: We respectfully request approval for a second site visit. If a second site visit is approved, we respectfully request that an Information Technology (IT) representative be available to participate in the walkthrough.

Answer: A second walkthrough is scheduled for January 30, 2026 at 10:00 a.m. Please meet in the lobby of Palmer Courthouse if attending. A representative from the court's IT department has been requested but not yet confirmed.

Question 2: We intend to utilize an alternate mounting location for the donor antenna than the one currently in use. Do we need approval to use an alternate mounting location?

Answer: An alternate location for the donor antenna is acceptable. A representative from the state radio shop and building maintenance will be present to help identify and approve a new mounting location once awarded.

Question 3: Please provide confirmation that the future building addition should not be a consideration in this bid.

Answer: The future building renovation will not be a factor in the design and planning of the new BDA/DAS system.
