### **PUBLIC NOTICE**

#### **Requesting Input on a Proposed Relinquishment of State Entitlement Lands**

**Comment Period Ends 3:30 PM, March 4, 2026**

The Department of Natural Resources (DNR) is proposing to relinquish the State's entitlement land selection of the surface estate while retaining oil, gas, and mineral interests on those lands including approximately 160 acres in Section 15, T. 9 S., R. 34 W., Seward Meridian, Alaska. The allotment is located approximately 8.75 miles south-west of Kokhanok and approximately 32.3 miles north-east of Igiugig, near the south shore of Iliamna Lake. A location map is attached to this notice. The lands are not currently owned by the State, they are under Federal management and ownership. The purpose of relinquishment is to facilitate conveyance of Dingell Act allotment application AA-97133.

The 2019 John D. Dingell, Jr. Conservation, Management, and Recreation Act (Dingell Act) (Pub. L. 116-9) provides that eligible Alaska Native Vietnam Veterans may apply for allotments of up to 160 acres of land from vacant, unappropriated, and unreserved land that the State has selected pursuant to 6(b) of the Alaska Statehood Act, and that the State agrees to voluntarily relinquish. In accordance with the Act, the State is considering relinquishing the surface estate, including sand and gravel, identified above.

Alaska Statute (AS) 38.05.035 allows for disposals of interests in state lands, and AS 38.05.945 provides procedures for notice of those disposals.
