Questions submitted by potential bidders and answers from the state:

Question 1: Is there any anticipated changes to the copy upcoming?

Answer: There might be some slight changes to the wording in a couple of the boxes, specifically on the Certificate of Title, but those should be minor.

Question 2: I think the only thing I'm a little worried about is just the submission online because I haven't used your system yet.

Answer: ITB Section 1.07 Return Instructions, on page five, details how to submit bids electronically through email. Please note, the State will not accept any email submissions that are encrypted or protected with a password.
