---

The Chignik Area M Finfish Meeting Subcommittee is a group of Chignik Fish and Game Advisory Committee members selected by the Chignik AC to represent their interests at the Area M Board of Fisheries Meeting. While the Chignik Area M Finfish meeting Subcommittee does not represent the Chignik AC with its full authority, it was created with the intent that it would keep the Chignik AC's interest as its priority while it makes recommendations to the board
