

**STATE OF ALASKA  
DEPARTMENT OF NATURAL RESOURCES  
DIVISION OF OIL AND GAS  
STATE PIPELINE COORDINATOR'S SECTION  
MINERAL ORDER 1333**

  X   Closing Lands to Mineral Entry      \_\_\_\_\_ Opening Lands to Mineral Entry

- I. **Name:** Operations Material Site (OMS 88-3) along the Trans-Alaska Pipeline Right-of-Way.
- II. **Reason for Mineral Order:** This Mineral Order (MO) is based on the attached Commissioner's Administrative Finding *and* applicable statutes.
- III. **Authority:** AS 38.05.185 and AS 38.05.300.
- IV. **Location and Legal Description:** The region affected by this mineral order consists of approximately 160 acres located along the Trans-Alaska Pipeline System Right-of-Way within Section 10 of Township 20 North, Range 15 West, Fairbanks Meridian.

See attached map.

This action also authorizes changes to MO 1333 to align with the legal description of the material site upon its designation and any future amendments to the designated material site without a formal amendment to this order.

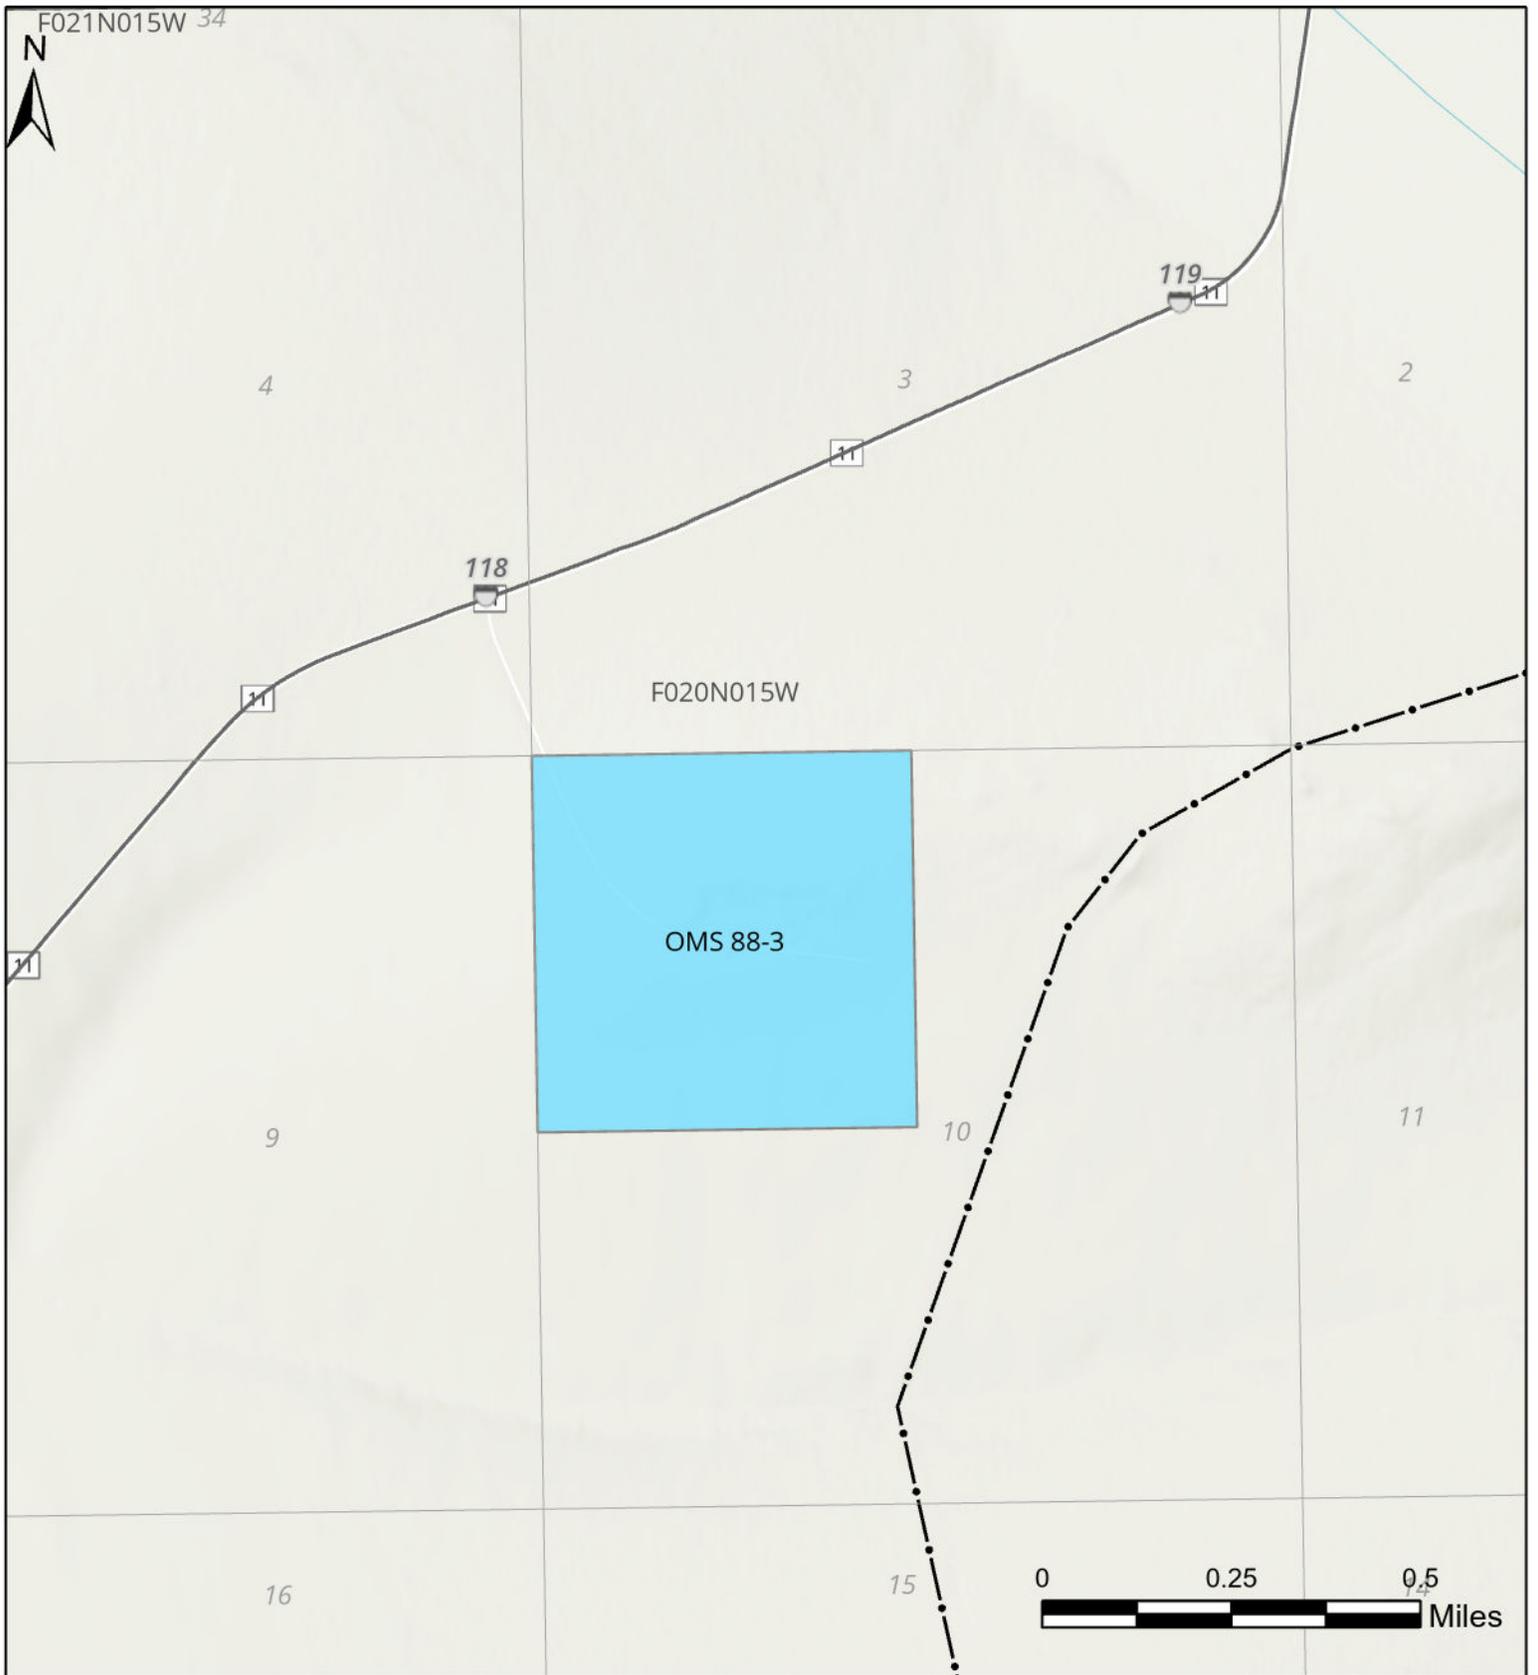

- V. **Mineral Closing:** This mineral order is subject to valid existing rights and is issued under the authority granted by AS 38.05.185-38.05.275 and AS 38.05.300 to the Alaska Department of Natural Resources. In accordance with AS 38.05.185(a), I find that the best interests of the State of Alaska and its residents are served by closing to mineral entry under the mineral location and mining laws of the State of Alaska, the land described in this mineral order. The above-described lands are hereby closed to entry under the locatable minerals and mining laws of the State of Alaska.

Concur: \_\_\_\_\_  
Christy Colles, Director  
Division of Mining, Land, and Water
