Whiskey Gulch Boating Access Site Improvements

IH-26-004

Amendment # 2

ISSUE DATE 2/26/2026

This amendment is being issued to make corrections to the RFP evaluation criteria section 8.

Changes to the RFP:

Change 1: Evaluation criteria section 8 Freshwater / Anadromous Waterbody Structures is corrected to

8. Boating Access / Recreational Facilities

Response must demonstrate the proposed team's experience with the design, permitting and construction of Boating Access Sites / Recreational Facilities similar in design and location to the proposed project. Only experience with boat launch ramps and floating structures intended for use by small recreational boats (i.e. less than 26 feet in length) is relevant to this project.
