## SECTION 1. INTRODUCTION & INSTRUCTIONS

### SEC. 1.01 PURPOSE OF THE ITB

The Department of Administration, Division of Motor Vehicles, is soliciting bids from a qualified vendor to produce and deliver two official DMV forms: the Certificate of Title (Form 835) and the Temporary Vehicle Permit (Form 852). These forms must meet security, quality, and compliance standards to support statewide vehicle registration and permitting operations.

### SEC. 1.02 BUDGET

Department of Administration, Division of Motor Vehicles, estimates a budget between \$725,000.00 and \$805,000.00 for the life of this contract, including the initial term and all optional renewal periods. Bids priced at more than \$805,000.00 will be considered non-responsive.

Payment for the contract is subject to funds already appropriated and identified.

### SEC. 1.03 DEADLINE FOR RECEIPT OF BIDS

Bids must be received no later than **2:00:00 PM** Alaska Time on **March 13, 2026**. Late bids or amendments will be considered non-responsive and will not be opened or accepted for evaluation.

### SEC. 1.04 PRIOR EXPERIENCE

In order for a bid to be considered responsive, the bidder must clearly demonstrate that it meets these minimum prior experience requirements:

- Minimum of three years of experience providing professional printing services within the past five years;
- Proven ability to print documents requiring a variety of security features; and
- Provide a successful track record documenting satisfactory delivery of services similar in scope to the Scope of Work described in this ITB.

**The bidder must submit a résumé outlining their relevant experience, along with at least two completed Client Reference Forms** (provided as an attachment to this ITB). These references must be from clients for whom the bidder has provided, or is currently providing, professional printing services similar in scope to those described in this ITB.

**The bidder must submit a work schedule and production timeline that clearly shows how the bidder will support the DMV's operational needs as detailed in Section 2.01 Scope of Work.**

A bidder's failure to meet and clearly demonstrate these minimum prior experience requirements, including providing a résumé, Client Reference Forms, and work schedule and production timeline, will result in the bid being determined non-responsive and rejected.

### **SEC. 1.05 REQUIRED REVIEW**

Bidders shall carefully review this ITB for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material in the ITB should be made in writing and received by the procurement officer prior to the deadline for receipt of bids. This will allow time for an amendment to be issued if one is required. It will also help prevent the opening of a defective bid, upon which award cannot be made, and the resultant exposure of bidders' prices.

### **SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF BIDS**

All questions must be in writing and directed to the procurement officer. The interested party must confirm telephone conversations in writing. Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the ITB. These questions may be answered over the telephone. Other questions may be more complex and may require a written amendment to the ITB. The procurement officer will make that decision.

### **SEC. 1.07 RETURN INSTRUCTIONS**

Bidders must submit their bid electronically to the procurement officer in PDF format via email. The bid must be emailed to [doa.oppm.procurement@alaska.gov](mailto:doa.oppm.procurement@alaska.gov) and must contain the ITB number in the subject line of the email. Bids must not be password-protected, encrypted, or otherwise secured in a way that prevents agency access. The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the bid exceeds this size, the bid must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. Like sending a hard copy bid, if you are emailing your bid, the state recommends sending it enough ahead of time to ensure the email is delivered by the deadline for receipt of bids.

It is the bidder's responsibility to contact the issuing agency at [doa.oppm.procurement@alaska.gov](mailto:doa.oppm.procurement@alaska.gov) to confirm that the entire bid has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

### **SEC. 1.08 ASSISTANCE TO BIDDERS WITH A DISABILITY**

The State of Alaska complies with Title II of the Americans with Disabilities Act of 1990. Individuals with disabilities who may need auxiliary aids, services, and/or special modifications to submit a bid should contact the Procurement Officer no later than ten days prior to the closing of the bid to make any necessary arrangements.

### **SEC. 1.09 AMENDMENTS TO BIDS**

Amendments to or withdrawals of bids will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of bids, in accordance with 2 AAC 12.140. No amendments or withdrawals will be accepted after the deadline unless the delay is due to an error of the contracting agency, in accordance with 2 AAC 12.160.

**SEC. 1.10 AMENDMENTS TO THE ITB**

If an amendment is issued before the deadline for receipt of bids, the amendment will be posted on the State of Alaska Online Public Notice (OPN) website. The link to the posting of the amendment will be provided to all who were notified of the ITB and to those who have registered with the procurement officer after receiving the ITB from the OPN.

**SEC. 1.11 ITB SCHEDULE**

The ITB schedule below represents the State of Alaska’s best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of bids, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Standard Time (AST).

ACTIVITY	TIME	DATE
Issue Date / ITB Released		March 2, 2026
Pre-Bid Conference	10:00 AM AKST	March 6, 2026
Last Day for Questions		March 9, 2026
Deadline for Receipt of Bids / Bid Due Date	2:00:00 PM AKST	March 13, 2026
Bid Evaluations Complete (approximately week of)		March 16, 2026
Notice of Intent to Award (approximately week of)		March 16, 2026
Contract Issued		April 1, 2026

This ITB does not, by itself, obligate the state. The state's obligation will commence when the contract is approved by the Commissioner of the Department of Administration, or the Commissioner's designee. Upon written notice to the contractor, the state may set a different starting date for the contract. The state will not be responsible for any work done by the contractor, even work done in good faith, if it occurs prior to the contract start date set by the state.

**SEC. 1.12 PRE-BID TELECONFERENCE**

A pre-bid teleconference will be held at **10:00 AM** Alaska Time, on **March 6, 2026**, via Microsoft Teams meeting. The purpose of the teleconference is to discuss the work to be performed with prospective bidders and allow them to ask questions concerning the ITB. Bidders should read the ITB in full and come to the meeting prepared to discuss any questions or concerns.

All interested bidders must register with the procurement officer via email at [doa.oppm.procurement@alaska.gov](mailto:doa.oppm.procurement@alaska.gov). It is highly recommended that any pre-bid teleconference questions be submitted to this email address prior to the pre-bid teleconference.

Bidders with a disability needing accommodation should contact the procurement officer prior to the date set for the pre-bid teleconference so that reasonable accommodation can be made.

**SEC. 1.13 ALTERNATE BIDS**

Bidders may only submit one bid for evaluation. In accordance with 2 AAC 12.830 alternate bids (bids that offer something different than what is asked for) will be rejected.

**SEC. 1.14 SUPPORTING INFORMATION**

Provided a bid meets the requirements for a definite, firm, unqualified, and unconditional offer, the state reserves the right to request supplemental information from the bidder, after the bids have been opened, to ensure that the products or services offered completely meet the ITB requirements. The requirement for such supplemental information will be at the reasonable discretion of the state and may include the requirement that a bidder will provide a sample product(s) so that the state can make a first-hand examination and determination.

A bidder's failure to provide this supplemental information or the product sample(s), within the time set by the state, may cause the state to consider the offer non-responsive and reject the bid.

**SEC. 1.15 FIRM, UNQUALIFIED, AND UNCONDITIONAL OFFER**

To be responsive a bid must constitute a definite, firm, unqualified and unconditional offer to meet all the material terms of the ITB. Material terms are those that could affect the price, quantity, quality, or delivery. Also included as material terms are those which are clearly identified in the ITB, and which must be complied with at risk of bid rejection for non-responsiveness.

## SECTION 2. SCOPE OF WORK AND CONTRACT INFORMATION

### SEC. 2.01 SCOPE OF WORK

The Department of Administration (DOA), Division of Motor Vehicles (DMV), is soliciting bids for printing and delivering the following secure forms:

1. **Form 835 – Certificate of Title**
2. **Form 852 – Alaska Temporary Permit**

Each secure form must be produced in accordance with the specifications outlined in this ITB, incorporating required security features, sequential numbering, and approved formatting. Deliverables include:

- A digital PDF proof version of each form and 10 hardcopy proofs of each form displaying placeholder control numbers shown as zeros (e.g., 0000) for DMV approval before initial production.
- Up to two revisions per form annually, with updated proofs submitted for DMV approval before production.
- Final printed forms, shrink-wrapped and boxed per packaging requirements.

**These deliverables will support the DMV’s operational needs and must be referenced in the contractor’s work schedule and production timeline to be submitted with the Bid Schedule, to be approved by DMV before production may begin.**

The secure forms covered under this ITB will be ordered on an as-needed basis throughout the duration of the contract. The state estimates the initial order will be placed in June 2026, for the estimated quantities of 100,000 each Certificate of Title (Form 835) and 10,000 each Alaska Temporary Permits (Form 852). The state estimates approximately three standard bulk orders per year, fulfilled in multiples of 10,000 units for each Form. The state estimates the total yearly quantities of 200,000 each Certificate of Title (Form 835) and 60,000 each Alaska Temporary Permits (Form 852). **The State does not guarantee the initial order date or a minimum or maximum order quantity for orders issued against the awarded contract. Bidders must ensure costs are provided on their Bid Schedule by Cost Per 10,000 units for each Form.**

While there is no statutory deadline associated with a single delivery; the following delivery expectations apply:

- **Standard Delivery:** The contractor must deliver secure forms within **15 business days** from the date of receipt of each purchase order, unless otherwise agreed upon in writing by the State.
- **Expedited Delivery:** In urgent situations, the State may request expedited delivery. In such cases, the contractor must be capable of delivering the requested forms within **5 business days** of order placement.

The length of the contract will be from the date of award, approximately **April 1, 2026**, through **March 31, 2028**, with the option to renew for five additional one-year terms under the same terms and conditions as the original contract. Renewals will be exercised at the sole discretion of the state.

Unless otherwise provided in this ITB, the State and the successful bidder/contractor agree: (1) that any extension of the contract excluding any exercised renewal options, will be considered as a month-to-month extension, and all other terms and conditions shall remain in full force and effect and (2) the procurement officer will provide notice to the contractor of the intent to cancel such month-to-month extension at least 30 days before the desired date of cancellation. A month-to-month extension may only be executed by the procurement officer via a written contract amendment.

**SEC. 2.03 CONTRACT TYPE**

This contract is a Firm Fixed Price contract.

**SEC. 2.04 PAYMENT FOR STATE PURCHASES**

No payment will be made until the contract is approved by the Commissioner of the Department of Administration or the Commissioner's designee. Under no conditions will the state be liable for the payment of any interest charges associated with the cost of the contract. The state is not responsible for and will not pay local, state, or federal taxes. All costs associated with the contract must be stated in U.S. currency.

Payment for agreements under \$500,000 for the undisputed purchase of goods or services provided to a state agency, will be made within 30 days of the receipt of a proper billing or the delivery of the goods or services to the location(s) specified in the agreement, whichever is later. A late payment is subject to 1.5% interest per month on the unpaid balance. Interest will not be paid if there is a dispute or if there is an agreement that establishes a lower interest rate or precludes the charging of interest.

**SEC. 2.05 ELECTRONIC PAYMENTS**

The State of Alaska prefers vendors receive payment via Electronic Funds Transfer (EFT). Bidders may review information concerning the EFT process and access the [Electronic Payment Agreement Form for Vendors](https://doa.alaska.gov/dof/vendor.html) at the following link: <https://doa.alaska.gov/dof/vendor.html>. Method of payment is not a factor in the State's determination for award.

Any single contract payments of \$1 million or higher must be accepted by the contractor via Electronic Funds Transfer (EFT).

**SEC. 2.06 CONTRACT ADMINISTRATION**

The administration of this contract is the responsibility of the procurement officer or person appointed by the Department of Administration, Division of Motor Vehicles.

**SEC. 2.07 CONTRACT PRICE ADJUSTMENTS**

A contract resulting from this ITB will include the following price adjustment clause:

**Consumer Price Index (CPI):** Contract prices will remain firm through **March 31, 2028**.

The Contractor or State may request price adjustments, no sooner than 24 months from the Contract execution date, and no more than once per contract year. Contractors must submit a request to the State at least thirty (30) days prior to the end of the current term. All Requests must be in writing and must be received 30 days prior to the Contract renewal date.

- a. If the Contractor or State fail to request a CPI price adjustment 30 days prior to the Contract renewal date, the adjustment will be effective 30 days after the State or Contractor receives their written request.
- b. Price adjustments will be made in accordance with the percentage change in the U.S. Department of Labor, Bureau of Labor and Statistics, Consumer Price Index (CPI-U) for All Urban Consumers, All Items, Urban Alaska.
- c. The percentage difference between those two CPI issues will be the price adjustment rate. No retroactive contract price adjustments will be allowed. All price adjustments must be approved by the Procurement Officer prior to the implementation of the adjusted pricing. Approval shall be in the form of a Contract Amendment issued by the Procurement Officer.
- d. Approval for all price increases is dependent upon full compliance with the terms of the Contract including reporting requirements.

## **SEC. 2.08 CONTRACT PERFORMANCE LOCATION**

The state **will not** provide workspace for the contractor. The contractor must provide its own workspace. The successful bidder shall be responsible for all costs associated with providing a worksite.

By signature on their bid, the bidder certifies that all services provided under this contract by the contractor and all subcontractors shall be performed in the United States.

If the bidder cannot certify that all work will be performed in the United States, the bidder must contact the procurement officer in writing to request a waiver at least 10 days prior to the deadline for receipt of bids.

The request must include a detailed description of the portion of work that will be performed outside the United States, where, by whom, and the reason the waiver is necessary.

Failure to comply with these requirements may cause the state to reject the bid as non-responsive or cancel the contract.

## **SEC. 2.09 THIRD-PARTY FINANCING AGREEMENTS NOT ALLOWED**

Because of the additional administrative and accounting time required of the state when third party financing agreements are permitted, they will not be allowed under this contract.

## **SEC. 2.10 SUBCONTRACTORS**

Subcontractors may be used to perform a portion of the work under this contract. If a bidder intends to use subcontractors, the bidder must identify in the bids the names of the subcontractors and the portions of the work the subcontractors will perform.

Subcontractor experience **SHALL** be considered in determining whether the bidder meets the requirements set forth in **SEC. 2.01 PRIOR EXPERIENCE**.

If a bid with subcontractors is selected, the bidder must provide the following information concerning each prospective subcontractor within five working days from the date of the state's request:

- complete name of the subcontractor;
- complete address of the subcontractor;
- type of work the subcontractor will be performing;
- percentage of work the subcontractor will be providing;
- evidence that the subcontractor holds a valid Alaska business license; and
- a written statement signed by each proposed subcontractor that clearly verifies that the subcontractor is committed to render the services required by the contract.

A bidder's failure to provide this information, within the time set, may cause the state to consider their bid non-responsive and reject it.

Note that if the subcontractor will not be performing work within Alaska, they will not be required to hold an Alaska business license.

## **SEC. 2.11 JOINT VENTURES**

Joint ventures will not be allowed.

## **SEC. 2.12 RIGHT TO INSPECT PLACE OF BUSINESS**

## **SEC. 2.13 F.O.B. POINT**

The F.O.B. point for all items purchased under this contract is the final destination anywhere within the State of Alaska. Ownership of and title to the ordered items remains with the contractor until the items have been delivered to their final destination and are accepted by the state.

The cost of shipping and delivery to DMV headquarters at 4001 Ingra Street, Suite 101, Anchorage, AK 99503, is to be included in the bid price. There will be no additional charge for shipping and delivery within Anchorage, Alaska.

#### **SEC. 2.14 INSPECTION & MODIFICATION - REIMBURSEMENT FOR UNACCEPTABLE DELIVERABLES**

The contractor is responsible for providing all products or the completion of all work set out in the contract. All products or work is subject to inspection, evaluation, and approval by the state. The state may employ all reasonable means to ensure that the work is progressing and being performed in compliance with the contract. The state may instruct the contractor to make corrections or modifications if needed in order to accomplish the contract's intent. The contractor will not unreasonably withhold such changes.

Substantial failure of the contractor to perform the contract may cause the state to terminate the contract. In this event, the state may require the contractor to reimburse monies paid (based on the identified portion of unacceptable products or work received) and may seek associated damages.

#### **SEC. 2.15 SHIPPING DAMAGE**

The state will not accept or pay for damaged goods. The contractor must file all claims against the carrier(s) for damages incurred to items in transit from the point of origin to the ultimate destination. The state will provide the contractor with written notice when damaged goods are received. The state will deduct the cost of the damaged goods from the invoice prior to payment. The contractor must file all claims against the carrier(s) for reimbursement of the loss.

#### **SEC. 2.16 CONTRACT CHANGES – UNANTICIPATED AMENDMENTS**

#### **SEC. 4.12 NOTICE OF INTENT TO AWARD**

After the responses to this ITB have been opened and evaluated, a tabulation of the bids will be prepared. This tabulation, called a Notice of Intent to Award, serves two purposes. It lists the name of each company or person that offered a bid and the price they bid. It also provides notice of the state's intent to award a contract(s) to the bidder(s) indicated. A copy of the Notice of Intent will be sent to each company or person who responded to the ITB. Bidders identified as the apparent low responsive bidders are instructed not to proceed until a Purchase Order, Contract Award, Lease, or some other form of written notice is given by the procurement officer. A company or person who proceeds prior to receiving a Purchase Order, Contract Award, Lease, or some other form of written notice from the procurement officer does so without a contract and at their own risk.

Reference to brand name or number does not preclude an offer of a comparable or better product, if full specifications and descriptive literature are provided for the product. Failure to provide such specifications and descriptive literature may be cause for rejection of the offer.

**SEC. 5.07 WORKMANSHIP AND MATERIALS**

All work must be performed in a thorough and workmanlike manner and in accordance with current industry practices. The contractor will be held responsible for the quality of the printing service, maintenance, and inspections. Individuals designated by the procurement officer at the state's expense will make site inspection.

**SEC. 5.09 ORDER DOCUMENTS**

The procurement officer may reject any bid that does not comply with all the material and substantial terms, conditions, and performance requirements of the ITB.

Bidders may not qualify the bid nor restrict the rights of the state. If a bidder does so, the procurement officer may determine the bid to be a non-responsive counteroffer and the bid may be rejected.

Minor informalities that:

- do not affect responsiveness,
- are merely a matter of form or format,
- do not change the relative standing or otherwise prejudice other bidders,
- do not change the meaning or scope of the ITB,
- are trivial, negligible, or immaterial in nature,
- do not reflect a material change in the work, or
- do not constitute a substantial reservation against a requirement or provision,

may be waived by the procurement officer.

## SEC. 5.22 FEDERALLY IMPOSED TARIFFS

Changes in price (increase or decrease) resulting directly from a new or updated federal tariff, excise tax, or duty, imposed after contract award may be adjusted during the contract period or before delivery into the United States via contract amendment.

- **Notification of Changes:** The contractor must promptly notify the procurement officer in writing of any new, increased, or decreased federal excise tax or duty that may result in either an increase or decrease in the contract price and shall take appropriate action as directed by the procurement officer.
- **After-imposed or Increased Taxes and Duties:** Any federal excise tax or duty for goods or services covered by this contract that was exempted or excluded on the contract award date but later imposed on the contractor during the contract period, as the result of legislative, judicial, or administrative action may result in a price increase provided:
  - a) The tax or duty takes effect after the contract award date and isn't otherwise addressed by the contract.
  - b) The contractor warrants, in writing, that no amount of the newly imposed federal excise tax or duty or rate increase was included in the contract price, as a contingency or otherwise.
- **After-relieved or Decreased Taxes and Duties:** The contract price shall be decreased by the amount of any decrease in federal excise tax or duty for goods or services under the contract, except social security or other employment [taxes](#), that the contractor is required to pay or bear, or does not obtain a refund of, through the contractor's fault, negligence, or failure to follow instructions of the procurement officer.

- **State’s Ability to Make Changes:** The state reserves the right to request verification of federal excise tax or duty amounts on goods or services covered by this contract and increase or decrease the contract price accordingly.
- **Price Change Threshold:** No adjustment shall be made in the contract price under this clause unless the amount of the adjustment exceeds \$250.

## SEC. 5.23 PROTEST

AS 36.30.560 provides that an interested party may protest the content of the ITB.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or bidder whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the procurement officer prior to the deadline for receipt of bids.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If a bidder wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the procurement officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a bid to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester,
- the signature of the protester or the protester's representative,
- identification of the contracting agency and the solicitation or contract at issue,
- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents, and
- the form of relief requested.

Protests filed by telex or telegram are not acceptable because they do not contain a signature. Fax copies containing a signature are acceptable.

The procurement officer will issue a written response to the protest. The response will set out the procurement officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All bidders will be notified of any protest. The review of protests, decisions of the procurement officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."
