Re: *3 AAC 53.300: RCA - Update statutory authority; extend sunset period*  
Our file: 2025100836

Dear Lieutenant Governor Dahlstrom:

The Department of Law has reviewed the attached regulations of the Regulatory Commission of Alaska against the statutory standards of the Administrative Procedure Act. Based upon our review, we find no legal problems. This letter constitutes the written statement of approval under AS 44.62.060(b) and (c) that authorizes your office to file the attached regulations. The regulations were adopted by the Regulatory Commission of Alaska after the close of the public comment period.

The regulations extend the life of the Alaska Universal Service Fund through June 30, 2028, and update statutory authority to reflect enactment of sec. 6, ch. 24, SLA 2024 (SCS CSHB 307(FIN)).

The July 16, 2025 public notice and the January 16, 2026 certification of adoption order both state that this action is not expected to require an increased appropriation. Therefore, a fiscal note under AS 44.62.060 is not required.
