## INTRODUCTION & INSTRUCTIONS

### SEC. 1.01 PURPOSE OF THE RFP

The Alaska Department of Education and Early Development (DEED) is seeking proposals from qualified offerors to conduct Administrative Reviews (AR) for the USDA nutrition programs administered by school districts and Residential Child Care Institutions (RCCI) in Alaska as required by DEED for the school meal programs as well as the summer programs.

Alaska is a 365-million-acre region that has less than 800,000 people, and temperatures exceed +100 degrees Fahrenheit in the summer to below –40 degrees Fahrenheit in the winter. The geography and climate of the region create challenges to transportation and resource accessibility for both program sponsors and State employees.

There are ten individuals that oversee the entire Child Nutrition Programs for the State of Alaska, working to meet the strategic goal of improving the safety and well-being of students through school partnerships with families, communities, and tribes. By including contractors in our mission to ensure program integrity and compliance, we hope to achieve greater efficiency and more thorough reviews and technical assistance for our sponsors.

### SEC. 1.02 BUDGET

Department of Education and Early Development, Division of Child Nutrition Programs, estimates a budget of up to **\$1,290,000** dollars for completion of this project. Proposals priced at more than **\$1,290,000** will be considered non-responsive. The total budget will be divided equally into five (5) possible terms. Renewals are granted at the discretion of the State of Alaska.

- Initial Term – April 2026 – September 30, 2027
- Renewal Option #1 – October 1, 2027 – September 30, 2028
- Renewal Option #2 – October 1, 2028 – September 30, 2029
- Renewal Option #3 – October 1, 2029 – September 30, 2030
- Renewal Option #4 – October 1, 2030 – September 30, 2031

Approval or continuation of a contract resulting from this RFP is contingent upon legislative appropriation.

### SEC. 1.03 DEADLINE FOR RECEIPT OF PROPOSALS

Proposals must be received no later than **3:00PM** prevailing Alaska Standard Time on **March 25, 2026**, as indicated by postmark or email timestamp and late proposals will not be considered.

### SEC. 1.04 PRIOR EXPERIENCE

In order for offers to be considered responsive offerors must meet these minimum prior experience requirements:

- All reviewers and project managers must demonstrate, by providing a detailed resume, and have experience with all USDA rules, regulations, and guidance as it relates to the NSLP, SBP, SSO, ASCP, SMP, FFVP, equipment grants, CEP, Provision 3, and CACFP At Risk.
- For the avoidance of conflicts of interest, at the time of proposal, and if accepted, offerors must not have a current or pending business relationship with an Alaska school district.

An offeror's failure to meet these minimum prior experience requirements will cause their proposal to be considered non-responsive and rejected.

### **SEC. 1.05 REQUIRED REVIEW**

Offerors should carefully review this solicitation for defects and questionable or objectionable material. Comments concerning defects and questionable or objectionable material should be made in writing and received by the procurement officer at least ten days before the deadline for receipt of proposals. This will allow time for the issuance of any necessary amendments. It will also help prevent the opening of a defective proposal and exposure of offeror's proposals upon which award could not be made.

### **SEC. 1.06 QUESTIONS PRIOR TO DEADLINE FOR RECEIPT OF PROPOSALS**

All questions must be in writing and directed to the procurement officer at [eed.procurement@alaska.gov](mailto:eed.procurement@alaska.gov).

Two types of questions generally arise. One may be answered by directing the questioner to a specific section of the RFP. Other questions may be more complex and may require a written amendment to the RFP. The procurement officer will make that decision. Questions are due no later than **3:00PM** prevailing Alaska Standard Time on **March 14, 2026**.

**EMAIL ADDRESS:** [eed.procurement@alaska.gov](mailto:eed.procurement@alaska.gov)

**PROCUREMENT OFFICER: Disney Ramos – PHONE (907) 269-3484 - TDD 1-800-770-8973**

### **SEC. 1.07 RETURN INSTRUCTIONS**

Proposals must be submitted via email. The technical proposal and cost proposal must be saved as separate PDF documents and emailed to [eed.procurement@alaska.gov](mailto:eed.procurement@alaska.gov) as separate, clearly labeled attachments, such as “Vendor A – Technical Proposal.pdf” and “Vendor A – Cost Proposal.pdf”. The email must contain the RFP number in the subject line, **RFP 2026-0500-0260**.

The **maximum** size of a single email (including all text and attachments) that can be received by the state is **20mb (megabytes)**. If the email containing the proposal exceeds this size, the proposal must be sent in multiple emails that are each less than 20 megabytes and each email must comply with the requirements described above.

Please note that email transmission is not instantaneous. When emailing your proposal, the state recommends sending it with enough time to ensure the email is delivered by the deadline for receipt of proposals.

It is the offeror’s responsibility to contact the issuing agency at (907) 269-3484 to confirm that the proposal has been received. The state is not responsible for unreadable, corrupt, or missing attachments.

**SEC. 1.08 ASSISTANCE TO OFFERORS WITH DISABILITY**

Offerors with a disability may receive accommodation regarding the means of communicating this RFP or participating in the procurement process. For more information, contact the procurement officer no later than ten days prior to the deadline for receipt of proposals.

**SEC. 1.09 AMENDMENTS TO PROPOSALS**

Amendments to or withdrawals of proposals will only be allowed if acceptable requests are received prior to the deadline that is set for receipt of proposals. No amendments or withdrawals will be accepted after the deadline unless they are in response to the state's request in accordance with 2 AAC 12.290.

**SEC. 1.10 AMENDMENTS TO THE RFP**

If an amendment is issued before the deadline for receipt of proposals, the amendment will be posted on the State of Alaska Online Public Notice (OPN) website. The link to the posting of the amendment will be provided to all who were notified of the RFP and to those who have registered with the procurement officer after receiving the RFP from the OPN.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

**SEC. 1.11 RFP SCHEDULE**

RFP schedule set out herein represents the state's best estimate of the schedule that will be followed. If a component of this schedule, such as the deadline for receipt of proposals, is delayed, the rest of the schedule may be shifted accordingly. All times are Alaska Standard Time.

Certificates of Insurance must be furnished to the procurement officer prior to beginning work and must provide for a notice of cancellation, non-renewal, or material change of conditions in accordance with policy provisions. Failure to furnish satisfactory evidence of insurance or lapse of the policy is a material breach of this contract and shall be grounds for termination of the contractor's services. All insurance policies shall comply with and be issued by insurers licensed to transact the business of insurance under AS 21.

**Workers' Compensation Insurance:** The contractor shall provide and maintain, for all employees engaged in work under this contract, coverage as required by AS 23.30.045, and where applicable, any other statutory obligations including but not limited to Federal U.S.L. & H. and Jones Act requirements. The policy must waive subrogation against the State.

**Commercial General Liability Insurance:** covering all business premises and operations used by the Contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

**Commercial Automobile Liability Insurance:** covering all vehicles used by the contractor in the performance of services under this agreement with minimum coverage limits of \$300,000 combined single limit per claim.

**Professional Liability Insurance:** covering all errors, omissions, or negligent acts in the performance of professional services under this agreement. Limits required per the following schedule:

<b>Contract Amount</b>	<b>Minimum Required Limits</b>

\$1,000,000 or over	Refer to Risk Management

### SEC. 3.17 TERMINATION FOR DEFAULT

- a. If the Project Director or Procurement Officer determines that the contractor has refused to perform the work or has failed to perform the work with such diligence as to ensure its timely and accurate

completion, the state may, by providing written notice to the contractor, terminate the contractor's right to proceed with part or all the remaining work.

- b. The Procurement Officer may also, by written notice, terminate this contract under Administrative Order 352 if the contractor supports or participates in a boycott of the State of Israel.

This clause does not restrict the state's termination rights under the contract provisions of Appendix A, attached in SECTION 7. ATTACHMENTS.

## SECTION 4. PROPOSAL FORMAT AND CONTENT

### SEC. 4.01 RFP SUBMITTAL FORMS

This RFP contains Submittal Forms, which must be completed by the offeror and submitted as part of their proposal. An electronic copy of the forms is posted along with this RFP.

Unless otherwise specified in this RFP, the Submittal Forms shall be the offeror’s entire proposal. Do not include any marketing information in the proposal.

**Any proposal that does not follow these requirements may be deemed non-responsive.**

### SEC. 4.02 SPECIAL FORMATTING REQUIREMENTS

The offeror must ensure that their proposal meets all special formatting requirements identified in this section.

**Documents and Text:** All attachment documents must be written in the English language, be single sided, and be single spaced with a minimum font size of 10. Pictures or graphics may be used if the offeror feels it is necessary to communicate their information, however, be aware of the below requirements for page limits.

**Page Limits:** Some Submittal Forms listed below have maximum page limit requirements. Offerors must not exceed the maximum page limits. Note, the page limit applies to the front side of a page only (for example, ‘1 Page’ implies that the offeror can only provide a response on one side of a piece of paper). Any pages exceeding the maximum page limit will be discarded and will not be included in the evaluations (for example, the maximum page limit is 3 pages, but the Offeror submits 5 pages for that submittal form. Only pages 1-3 will be evaluated. Pages 4 and 5 would be discarded by the Procurement Officer before sending them to the proposal evaluation committee for evaluation.).

Submittal Form	Maximum Page Limits
Submittal Form A – Offeror Information and Certifications	N/A
<b>Submittal Form B – Experience and Qualifications</b>	<b>5</b>
<b>Submittal Form C – Understanding of the Project</b>	<b>5</b>
<b>Submittal Form D – Methodology Used for the Project</b>	<b>5</b>
<b>Submittal Form E – Management Plan for the Project</b>	<b>5</b>
Submittal Form F – Cost Proposal	1

Any Submittal Form submitted as part of a proposal that is not compliant with the instructions above may be a basis for finding the proposal non-responsive and thus rejected.

## SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION

### SEC. 5.01 SUMMARY OF EVALUATION PROCESS

The state will use the following steps to evaluate and prioritize proposals:

- 1) Proposals will be assessed for overall responsiveness and responsibility. Proposals deemed non-responsive or non-responsible will be eliminated from further consideration.
- 2) A proposal evaluation committee (PEC), made up of at least three state employees or public officials, will evaluate the Technical portion of all responsive proposals.
- 3) The Submittal Forms, from each responsive proposal, will be sent to the PEC. No cost information will be shared or provided to the PEC.
- 4) The PEC will independently evaluate and score the documents based on the degree to which they meet the stated evaluation criteria.
- 5) After independent scoring, the PEC will have a meeting, chaired by the procurement officer, where the PEC may have a group discussion prior to finalizing their scores.
- 6) The evaluators will submit their final individual scores to the procurement officer, who will then compile the scores and calculate awarded points as set out in Section 5.03.
- 7) The procurement officer will calculate scores for cost proposals as set out in Section 5.08 and add those scores to the awarded points along with factoring in any Alaska preferences.
- 8) The procurement officer may ask for best and final offers from offerors susceptible for award and revise the cost scores accordingly.
- 9) The state will then conduct any necessary negotiations with the highest scoring offeror and award a contract if the negotiations are successful.

### SEC. 5.02 EVALUATION CRITERIA

Proposals will be evaluated based on their overall value to state, considering both cost and non-cost factors as described below. Note: An evaluation may not be based on discrimination due to the race, religion, color, national origin, sex, age, marital status, pregnancy, parenthood, disability, or political affiliation of the offeror.

Overall Criteria	Weight
Responsiveness	Pass/Fail

Qualifications Criteria		Weight
Experience and Qualifications	(Submittal Form B)	150
Understanding of the Project	(Submittal Form C)	150
Methodology Used for the Project	(Submittal Form D)	100
Management Plan for the Project	(Submittal Form E)	100
	Total	500

<b>Cost Criteria</b>		<b>Weight</b>
Cost Proposal	(Submittal Form F)	400
Total		400

<b>Preference Criteria</b>		<b>Weight</b>
Alaska Offeror Preference (if applicable)		100
Total		100

**TOTAL EVALUATION POINTS AVAILABLE: 1000**

**SEC. 5.03 SCORING METHOD AND CALCULATION**

Each Proposal Evaluation Committee (PEC) member will individually evaluate and score each responsive proposal using the criteria set out in Sections 5.04 through 5.07 and assign a single score of 1 through 10, with 10 representing the highest score and 1 representing the lowest score. Using only whole numbers, PEC members should start with a score of 5 on each section. The score may either increase or decrease depending on the offeror’s response to each question for that section. As an example, if the Offeror provided responses over and above the evaluation questions in a section, they would receive a higher score. However, if the Offeror’s response fails to address all questions of a section or demonstrates some lack of understanding or competency as it relates to a question for that section, the Offeror would then receive a lower score.

After the PEC has scored, the scores for each section will be totaled and the following formula will be used to calculate the total amount of points awarded for each section:

$$\frac{\text{Offeror Total Score}}{\text{Highest Total Score Possible}} \times \text{Max Points} = \text{Points Awarded}$$

**Example (Max Points for the Section = 100):**

	PEC Member 1 Score	PEC Member 2 Score	PEC Member 3 Score	PEC Member 4 Score	Combined Total Score	Points Awarded
<b>Offeror 1</b>	10	5	5	10	30	75
<b>Offeror 2</b>	5	5	5	5	20	50
<b>Offeror 3</b>	10	10	10	10	40	100

**Offeror 1** was awarded 75 points:

$$\begin{array}{r} \text{Offeror Total Score (30)} \\ \hline \end{array} \times \text{Max Points (100)} = \text{Points Awarded (75)}$$

Highest Total Score Possible (40)

**Offeror 2** was awarded 50 points:

$$\begin{array}{r} \text{Offeror Total Score (20)} \\ \hline \end{array} \times \text{Max Points (100)} = \text{Points Awarded (50)}$$

Highest Total Score Possible (40)

**Offeror 3** was awarded 100 points:

$$\begin{array}{r} \text{Offeror Total Score (40)} \\ \hline \end{array} \times \text{Max Points (100)} = \text{Points Awarded (100)}$$

Highest Total Score Possible (40)

## **SEC. 5.04 EXPERIENCE AND QUALIFICATIONS**

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) Did the offeror provide a comprehensive narrative on how they meet or exceed the minimum requirements as indicated in Sec. 1.04 PRIOR EXPERIENCE.
  - a. An offeror's failure to meet these minimum prior experience requirements will cause their proposal to be considered non-responsive and rejected.
- 2) How well did the offeror describe their experience and qualifications as it relates to this project and/or other field-related experiences?
- 3) Did the offeror provide reference names and phone numbers for similar projects the offeror has completed?
- 4) Are resumes complete and do they demonstrate backgrounds that would be desirable for individuals engaged in the work the project requires?

## **SEC. 5.05 UNDERSTANDING OF THE PROJECT**

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well has the offeror demonstrated a thorough understanding of the purpose and scope of the project?
- 2) How well has the offeror identified pertinent issues and potential problems related to the project?
- 3) To what degree has the offeror demonstrated an understanding of the deliverables the state expects it to provide?

- 4) Has the offeror demonstrated an understanding of the state's time schedule and can meet it?

### **SEC. 5.06 METHODOLOGY USED FOR THE PROJECT**

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How comprehensive is the methodology and does it depict a logical approach to fulfilling the requirements of the RFP?
- 2) How well does the offeror propose a facilitation methodology aligned to the size and scope of the project?
- 3) Did the offeror provide a timeline and coordination plan for ensuring timely completion of deliverables?

### **SEC. 5.07 MANAGEMENT PLAN FOR THE PROJECT**

This portion of the offeror’s proposal will be evaluated against the following questions:

- 1) How well does the management plan support all the project requirements and logically lead to the deliverables required in the RFP?
- 2) How well is accountability completely and clearly defined?
- 3) Does it appear that the offeror can meet the schedule set out in the RFP?

### **SEC. 5.08 CONTRACT COST (COST PROPOSAL)**

Overall, a minimum of **40%** of the total evaluation points will be assigned to cost. After the procurement officer applies any applicable preferences, the offeror with the lowest total cost will receive the maximum number of points allocated to cost per 2 AAC 12.260(c). The point allocations for cost on the other proposals will be determined using the following formula:

$$[(\text{Price of Lowest Cost Proposal}) \times (\text{Maximum Points for Cost})] \div (\text{Cost of Each Higher Priced Proposal})$$

**Example (Max Points for Contract Cost = 400):**

#### **Step 1**

List all proposal prices, adjusted where appropriate by the application of applicable preferences claimed by the offeror.

Offeror #1	\$40,000
Offeror #2	\$42,750
Offeror #3	\$47,500

#### **Step 2**

In this example, the RFP allotted 40% of the available 1,000 points to cost. This means that the lowest cost will receive the maximum number of points.

**Offeror #1 receives 400 points.**

The reason they receive that amount is because the lowest cost proposal, in this case \$40,000, receives the maximum number of points allocated to cost, 400 points.

**Offeror #2 receives 374.3 points.**

$\$40,000 \text{ lowest cost} \times 400 \text{ maximum points for cost} = 16,000,000 \div \$42,750 \text{ cost of Offeror \#2's proposal} = 374.3$

**Offeror #3 receives 336.8 points.**

$\$40,000 \text{ lowest cost} \times 400 \text{ maximum points for cost} = 16,000,000 \div \$47,500 \text{ cost of Offeror \#3's proposal} = 336.8$

## SEC. 5.09 ALASKA OFFEROR PREFERENCE

Per 2 AAC 12.260, if an offeror qualifies for the Alaska Bidder Preference, the offeror will receive an Alaska Offeror Preference. The preference will be 10% of the total available points, which will be added to the offeror's overall evaluation score.

### Example:

#### Step 1

Determine the number of points available to qualifying offerors under this preference:

1000 Total Points Available in RFP x 10% Alaska Offeror preference = 100 Points for the preference

#### Step 2

Determine which offerors qualify as Alaska bidders and thus, are eligible for the Alaska Offeror preference. For the purpose of this example, presume that all proposals have been completely evaluated based on the evaluation criteria in the RFP. The scores at this point are:

Offeror #1	830 points	No Preference	0 points
Offeror #2	740 points	Alaska Offeror Preference	100 points
Offeror #3	800 points	Alaska Offeror Preference	100 points

#### Step 3

Add the applicable Alaska Offeror preference amounts to the offerors' scores:

Offeror #1	830 points
Offeror #2	840 points (740 points + 100 points)
<b>Offeror #3</b>	<b>900 points (800 points + 100 points)</b>

**Offeror #3** is the highest scoring offeror and would get the award, provided their proposal is responsive and responsible.

## SECTION 6. GENERAL PROCESS AND LEGAL INFORMATION

### SEC. 6.01 INFORMAL DEBRIEFING

When the contract is completed, an informal debriefing may be performed at the discretion of the project director or procurement officer. If performed, the scope of the debriefing will be limited to the work performed by the contractor.

### SEC. 6.02 ALASKA BUSINESS LICENSE AND OTHER REQUIRED LICENSES

Prior to the award of a contract, an offeror must hold a valid Alaska business license. However, in order to receive the Alaska Bidder Preference and other related preferences, such as the Alaska Veteran Preference and Alaska Offeror Preference, an offeror must hold a valid Alaska business license prior to the deadline for receipt of proposals. Offerors should contact the **Department of Commerce, Community and Economic Development, Division of Corporations, Business, and Professional Licensing, PO Box 110806, Juneau, Alaska 99811-0806** for information on these licenses. Acceptable evidence that the offeror possesses a valid Alaska business license may consist of any one of the following:

- copy of an Alaska business license;
- certification on the proposal that the offeror has a valid Alaska business license and has included the license number in the proposal;
- a canceled check for the Alaska business license fee;
- a copy of the Alaska business license application with a receipt stamp from the state's occupational licensing office; or
- a sworn and notarized statement that the offeror has applied and paid for the Alaska business license.

You are not required to hold a valid Alaska business license at the time proposals are opened if you possess one of the following licenses and are offering services or supplies under that specific line of business:

- fisheries business licenses issued by Alaska Department of Revenue or Alaska Department of Fish and Game,
- liquor licenses issued by Alaska Department of Revenue for alcohol sales only,
- insurance licenses issued by Alaska Department of Commerce, Community and Economic Development, Division of Insurance, or
- Mining licenses issued by Alaska Department of Revenue.

Prior the deadline for receipt of proposals, all offerors must hold any other necessary applicable professional licenses required by Alaska Statute.

### **SEC. 6.03 SITE INSPECTION**

The state may conduct on-site visits to evaluate the offeror's capacity to perform the contract. An offeror must agree, at risk of being found non-responsive and having its proposal rejected, to provide the state reasonable access to relevant portions of its work sites. Individuals designated by the procurement officer at the state's expense will make site inspection.

### **SEC. 6.04 CLARIFICATION OF OFFERS**

In order to determine if a proposal is reasonably susceptible for award, communications by the procurement officer or the proposal evaluation committee (PEC) are permitted with an offeror to clarify uncertainties or eliminate confusion concerning the contents of a proposal. Clarifications may not result in a material or substantive change to the proposal. The evaluation by the procurement officer or the PEC may be adjusted as a result of a clarification under this section.

### **SEC. 6.05 DISCUSSIONS WITH OFFERORS**

The state may conduct discussions with offerors in accordance with AS 36.30.240 and 2 AAC 12.290. The purpose of these discussions will be to ensure full understanding of the requirements of the RFP and proposal. Discussions will be limited to specific sections of the RFP or proposal identified by the procurement officer. Discussions will only be held with offerors who have submitted a proposal deemed reasonably susceptible for award by the procurement officer. Discussions, if held, will be after initial evaluation of proposals by the procurement officer or the PEC. If modifications are made as a result of these discussions, they will be put in writing. Following discussions, the procurement officer may set a time for best and final proposal submissions from those offerors with whom discussions were held. Proposals may be reevaluated after receipt of best and final proposal submissions.

If an offeror does not submit a best and final proposal or a notice of withdrawal, the offeror's immediate previous proposal is considered the offeror's best and final proposal.

Offerors with a disability needing accommodation should contact the procurement officer prior to the date set for discussions so that reasonable accommodation can be made. Any oral modification of a proposal must be reduced to writing by the offeror.

### **SEC. 6.06 EVALUATION OF PROPOSALS**

The procurement officer, or an evaluation committee made up of at least three state employees or public officials, will evaluate proposals. The evaluation will be based solely on the evaluation factors set out in SECTION 5. EVALUATION CRITERIA AND CONTRACTOR SELECTION.

After receipt of proposals, if there is a need for any substantial clarification or material change in the RFP, an amendment will be issued. The amendment will incorporate the clarification or change, and a new date and time established for new or amended proposals. Evaluations may be adjusted as a result of receiving new or amended proposals.

### **SEC. 6.07 CONTRACT NEGOTIATION**

After final evaluation, the procurement officer may negotiate with the offeror of the highest-ranked proposal. Negotiations, if held, shall be within the scope of the request for proposals and limited to those

items which would not have an effect on the ranking of proposals. If the highest-ranked offeror fails to provide necessary information for negotiations in a timely manner, or fails to negotiate in good faith, the state may terminate negotiations and negotiate with the offeror of the next highest-ranked proposal. If contract negotiations are commenced, they may be virtually.

### **SEC. 6.08 FAILURE TO NEGOTIATE**

If the selected offeror

- fails to provide the information required to begin negotiations in a timely manner; or
- fails to negotiate in good faith; or
- indicates they cannot perform the contract within the budgeted funds available for the project; or
- if the offeror and the state, after a good faith effort, simply cannot come to terms,

the state may terminate negotiations with the offeror initially selected and commence negotiations with the next highest ranked offeror.

### **SEC. 6.09 OFFEROR NOTIFICATION OF SELECTION**

After the completion of contract negotiation, the procurement officer will issue a written Notice of Intent to Award and send copies of that notice to all offerors who submitted proposals. The notice will set out the names of all offerors and identify the offeror selected for award.

### **SEC. 6.10 PROTEST**

AS 36.30.560 provides that an interested party may protest the content of the RFP.

An interested party is defined in 2 AAC 12.990(a) (7) as "an actual or prospective bidder or offeror whose economic interest might be affected substantially and directly by the issuance of a contract solicitation, the award of a contract, or the failure to award a contract."

If an interested party wishes to protest the content of a solicitation, the protest must be received, in writing, by the procurement officer at least ten days prior to the deadline for receipt of proposals.

AS 36.30.560 also provides that an interested party may protest the award of a contract or the proposed award of a contract.

If an offeror wishes to protest the award of a contract or the proposed award of a contract, the protest must be received, in writing, by the procurement officer within ten days after the date the Notice of Intent to Award the contract is issued.

A protester must have submitted a proposal in order to have sufficient standing to protest the proposed award of a contract. Protests must include the following information:

- the name, address, and telephone number of the protester;
- the signature of the protester or the protester's representative;
- identification of the contracting agency and the solicitation or contract at issue;

- a detailed statement of the legal and factual grounds of the protest including copies of relevant documents; and the form of relief requested.

Protests filed by telex or telegram are not acceptable because they do not contain a signature. Fax copies containing a signature are acceptable.

The procurement officer will issue a written response to the protest. The response will set out the procurement officer's decision and contain the basis of the decision within the statutory time limit in AS 36.30.580. A copy of the decision will be furnished to the protester by certified mail, fax or another method that provides evidence of receipt.

All offerors will be notified of any protest. The review of protests, decisions of the procurement officer, appeals, and hearings, will be conducted in accordance with the State Procurement Code (AS 36.30), Article 8 "Legal and Contractual Remedies."

## SEC. 6.11 APPLICATION OF PREFERENCES

Certain preferences apply to all state contracts, regardless of their dollar value. The Alaska Bidder, Alaska Veteran, and Alaska Offeror preferences are the most common preferences involved in the RFP process. Additional preferences that may apply to this procurement are listed below. Guides that contain excerpts from the relevant statutes and codes, explain when the preferences apply and provide examples of how to calculate the preferences are available at the following website:

### [Application Of Preferences](#)

- Alaska Products Preference - AS 36.30.332

The Division of Vocational Rehabilitation in the Department of Labor and Workforce Development keeps a list of qualified employment programs and individuals who qualify as persons with a disability. As evidence of a business' or an individual's right to the Employment Program or Alaskans with Disabilities preferences, the Division of Vocational Rehabilitation will issue a certification letter. To take advantage of these preferences, a business or individual must be on the appropriate Division of Vocational Rehabilitation list prior to the time designated for receipt of proposals. Offerors must attach a copy of their certification letter to the proposal. **An offeror's failure to provide this certification letter with their proposal will cause the state to disallow the preference.**

## SEC. 6.12 ALASKA BIDDER PREFERENCE

An Alaska Bidder Preference of 5% will be applied to the price in the proposal. The preference will be given to an offeror who:

- 1) holds a current Alaska business license prior to the deadline for receipt of proposals;

### **Alaska Bidder Preference Certification Form**

In order to receive the Alaska Bidder Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror does not need to complete the Alaska Veteran Preference or Alaska Military Skills Program questions on the form if not claiming the Alaska Veteran or Alaska Military Skills Program Preferences. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

### **SEC. 6.13 ALASKA VETERAN PREFERENCE**

An Alaska Veteran Preference of 5%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and is a:

In accordance with AS 36.30.321(i), the bidder must also add value by actually performing, controlling, managing, and supervising the services provided, or for supplies, the bidder must have sold supplies of the general nature solicited to other state agencies, other government, or the general public.

### **Alaska Veteran Preference Certification**

In order to receive the Alaska Veteran Preference, the proposal must include the Alaska Bidder Preference Certification Form attached to this RFP. An offeror's failure to provide this completed form with their proposal will cause the state to disallow the preference.

## **SEC. 6.14 ALASKA MILITARY SKILLS PROGRAM PREFERENCE**

An Alaska Military Skills Program Preference of 2%, not to exceed \$5,000, will be applied to the price in the proposal. The preference will be given to an offeror who qualifies under AS 36.30.990(2) as an Alaska bidder and:
