ADF&G YAKUTAT SHOP COMPLETION

Introduction:

ADF&G Procurement office is seeking information from qualified contractors who are interested in performing the necessary work to complete the ADF&G Yakutat shop. If you are a general contractor and can complete the work listed under the Background Information section, please follow the instructions listed under the Response Information section to respond to this RFI.

Background Information:

ADF&G Yakutat shop was constructed in 2014 and is yet to be completed. The following work is needed to be done and potentially more:

- Removal of the electrical conduit, lights, and garage door tracks that are already installed on the roof/ceiling trusses. By "remove" we mean unfasten and secure because we plan on reusing these things once the ceiling is finished.
- Install insulation into ceiling joists, followed by maybe a vapor barrier, and then plywood.
- Re-install conduit, lights, and garage door tracks.
- Install single phase heater/blower on wall of warehouse. Wire/connect to breaker/fuse panel.
- Install two gable vents on the roof.

For reference, the inside dimensions of the space are: 24ft wide and 35ft long. Images attached.

Response Information:

If you are a licensed contractor, and capable of completing all work listed above, please respond to this RFI by emailing dfg.contracting@alaska.gov, stating you are capable of completing the work, you're your soonest availability is, and if you are willing to participate in a competitive solicitation.

Please note: This RFI does not extend any rights to prospective vendors or obligate the state to conduct a solicitation or purchase any goods or services.

Procurement Officer contact information:

Interested parties must submit a written response by March 24, 2026, at 2:00 p.m. AKST. Responses should

be sent by E-mail to dfg.contracting@alaska.gov
