1. Alaska Administrative Code No. 5 AAC: 85.045 (18)

Regulation Book Page No.: 111

2. What is the issue you would like the board to address and why? Improve youth hunting opportunities by changing the youth hunt in 20C RM781, 25 Aug- 31 Aug, to a draw hunt with new dates.

3. What solution do you recommend? In other words, if the board adopted your solution, what would the new regulation say? (Please provide draft regulatory language, if possible.)

New draw hunt YMXXX (up to 10 permits, resident only) season dates 26 Sep- 30 Sep. Harvest has been on average one bull during the previous 5 youth seasons. Speaking to the are biologist there is enough surplus to allow a later season hunt that would allow more success for youth hunters. The dates a draw selection were chosen to avoid conflict with local hunters.

4. Did you develop your proposal in coordination with others, or with your local fish and game advisory committee? Please explain. Yes, the Fairbanks AC was in support of this proposal.
