The purpose of this Amendment #3 is to:

- **Provide answers to questions received.**

**Questions and answers**

**Question #1:**

This section mentions a requirement to identify in the bid the names of subcontractors to be used to complete the work. I assume this goes for potential subcontractors as well? If so, do you have a form that is required to be used to identify subcontractors? If not, how would you like to see this information?

**Answer #1:**

**Section 2.10 Subcontractors States:** *"If a bid with subcontractors is selected, the bidder must provide the following information concerning each prospective subcontractor within five working days from the date of the state's request."*

If a bid ends up being selected and is using subcontractors, the State will request the subcontractor list of requirements at that time. The contractor will have five working days from the date of the State's request to submit the required information.

**Question #2:**

If submitting the bid via email, can the bid guarantee Certified or Cashier's check for \$5,000.00 be a scanned copy, with the original check and original bid documents to be sent via mail after bid opening?

**Answer #2:**

No, if submitting a bid via email the bid guarantee check must be received in physical form at time of bid opening at the address specified in the ITB.

**Question #3:**

If no items include a product of construction material per the Buy American Act, do you want "None" written in section 2 and form signed / returned? Do you want section 2 left blank and form signed / returned?

**Answer #3:**

If no items include a product of construction material per the Buy American Act, "None" shall be written in section 2 and form signed/returned.
