## **QUESTIONS SUBMITTED BY VENDORS AND ANSWERS FROM THE STATE**

**Question 1:** *The deadline for shipping on this ITB states that “All orders must be shipped within 50 days of receipt of an approved order.” I would like to send a bid in; however after talking with the manufacturer, they are thinking it will be 6-8 weeks to manufacturer, screen print, ship to Alaska, and then the time for our company to ship to all of the locations. How stringent is the 50 days?*

**Answer 1:** I am amenable to extending “All orders must be shipped within 50 days of receipt of an approved order” to - All orders must be shipped within 64 days of receipt of an approved order.
