RFI 26-008 – MEDICAID ADMINISTRATIVE CLAIMING STRATIFIED RANDOM MOMENT TIME STUDY AMENDMENT #1

This document is to answer questions submitted by potential respondents to this RFI. This provides an opportunity for respondents to review questions and answers before submitting responses.

Question 1: Is there an incumbent vendor for these services? Or is this an entirely new requirement?

Answer 1: The division has a purchase order with SHI International Corp. Not all Medicaid Administrative Claiming (MAC) provider agreements currently use this random moment time study software. In the future all MAC provider agreements will use it.

Question 2: Does the State have an estimated value of a potential contract that would be awarded should this project move past the RFI stage?

Answer 2: The State does not currently have an estimated budget.
