Title

NOTICE TO APPLICANT:

* For applications filed by a municipality under AS 38.05.810, if there is a remaining entitlement of the municipality under AS 29.65, land transferred under AS 38.05.810 shall be credited toward fulfillment of the entitlement.

* Construction may not commence until approval is granted by lessor.

* This application will not be considered unless it is accompanied by the appropriate filing fee and completed in full. THE FILING FEE WILL NOT BE REFUNDED NOR IS IT TRANSFERABLE. All checks are to be made payable to the Department of Natural Resources.

* Include a 1:63,360 USGS map showing location of proposed activities in relation to survey monumentation or fixed geographical features which fully illustrates your intended use, including the location of buildings and improvements and access points, labeled with all dimensions, and a development plan providing a complete list of proposed activities.

* The applicant may be required to deposit a sum of money sufficient to cover the estimated cost of survey, appraisal, and advertising. If the land is sold or leased to another party, the deposit will be returned to the applicant.

* The filing of this application and payment of the filing fee vests the applicant with no right or priority in the lands applied for. It is merely an expression of the desire to purchase or lease a parcel of land when and if it becomes available. Filing an application serves the purpose of notifying the state that an individual is interested in purchasing or leasing land. It is not a claim, nor does it in any way obligate the state to sell or lease land.

* If the application is for use in conjunction with a guide/outfitter operation, include proof of a guide/outfitter certification for the use area.

* If the application is for a commercial fish camp, include a copy of your limited entry permit or an interim-use salmon set net permit.

* If applying for a senior citizen discount, include form 102-1042.

* AS 38.05.035(a) authorizes the director to decide what information is needed to process an application for the sale or use of state land and resources. This information is made a part of the state public land records and becomes public information under AS 40.25.110 and 40.25.120 (unless the information qualifies for confidentiality under AS 38.05.035(a)(8) and confidentiality is requested, AS 43.05.230, or AS 45.48). Public information is open to inspection by you or any member of the public. A person who is the subject of the information may challenge its accuracy or completeness under AS 44.99.310, by giving a written description of the challenged information, the changes needed to correct it, and a name and address where the person can be reached. False statements made in an application for a benefit are punishable under AS 11.56.210. In submitting this form, the applicant agrees with the Department to use "electronic" means to conduct "transactions" (as those terms are used in the Uniform Electronic Transactions Act, AS 09.80.010 – AS 09.80.195) that relate to this form and that the Department need not retain the original paper form of this record: the department may retain this record as an electronic record and destroy the original.

APPLICANT ENVIRONMENTAL RISK QUESTIONNAIRE

The purpose of this questionnaire is to help clarify the types of activities you propose to undertake. The questions are meant to help identify the level of environmental risk that may be associated with the proposed activity. The Division of Mining, Land and Water's evaluation of environmental risk for the proposed activity does not imply that the parcel or the proposed activity is an environmental risk from the presence or use of hazardous substances.

Through this analysis, you may become aware of environmental risks that you did not know about. If so, you may want to consult with an environmental engineer or an attorney.
