AMHS Salvage and Marine Firefighting

2526H312

Mandatory Amendment #1

June 17, 2026

This amendment is being issued to remove section 3.01 Scope of Work in its entirety and replace it with the following.

Procurement Officer Note: The below language can be removed if the amendment is informational only and the above description can be changed to "This Amendment is being issued for informational purposes only. This document does not need to be returned with your proposal." If necessary, sections for answering questions from potential offerors and making changes to the RFP are also included on the next page.

Important Note to Offerors: You must sign and return this page of the amendment document with your proposal. Failure to do so may result in the rejection of your proposal. Only the RFP terms and conditions referenced in this amendment are being changed. All other terms and conditions of the RFP remain the same.

Changes to the RFP:

Change 1: This amendment is being issued to remove section 3.01 Scope of Work in its entirety and replace it with the following:

The Department of Transportation & Public Facilities, Division of Alaska Marine Highway System (AMHS), is soliciting proposals for salvage and marine firefighting services. The Contractor will, for the duration of the contract:

1. Perform as salvor for vessels of the AMHS fleet. Active vessels in fleet include:
 - a. Aurora
 - b. Columbia
 - c. Hubbard
 - d. Kennicott
 - e. LeConte
 - f. Lituya
 - g. Matanuska
 - h. Tazlina
 - i. Tustumena
2. Provide salvage, emergency lightering, and marine firefighting services and respond to actual and potential incidents including Worst Case Discharge (WCD) events;
3. Identify and act as the primary resource provider for AMHS in its Coast Guard Vessel Response Plans;
4. Provide and maintain signed Funding Agreement for the duration of the contract including any optional renewal periods;
5. Participate in training exercises, to ensure the AMHS maintains both State and Federal compliance.

VESSEL LAYUP/ VESSEL SERVICE LAYUP / REMOVAL OF VESSELS FROM SERVICE AND ADDITIONS:

AMHS may place vessels covered under this contract into Layup status in accordance with their Operating Plan. The AMHS Project Manager will notify the Contractor when a vessel enters Layup status, identify which Service Tasks will not be required during the Layup period, and specify the duration of the Vessel Service Layup. The AMHS Project Manager will also notify the Contractor when to resume Service Tasks following each Vessel Service Layup.

If any AMHS vessel is removed from Revenue Service and no longer requires services under this contract, the Project Director will provide notification, and the Procurement Officer will issue a contract amendment as necessary.

The State reserves the right to add or remove vessels from the contract. A contract amendment will be issued if required.
