Re: Amendment 3
RFP 26-VSW-MNT-053
Minto Water Source Improvements
RFP Due Date: July 20, 2026 @ 2:00 PM AST

The following are vendor questions and the department's responses:

1. Vendor: Looking through Task 2.2 requirements, we would like to clarify the stated deliverable "Hydrogeology Report" (Page 10). Please confirm the Task 2.2 deliverables are the Annex 1 Task A.1 items (meeting notes, bid responses, bid assessments, subcontractor vetting), and that the deliverable titles reflect the requirements stated in Annex 1 Task A.1 – Assistance during bidding (Page 14).

Department: Confirmed Task 2.2 deliverables are the Annex 1 Task A.1

Correction of administrative errors on Task Deliverables by removing language and replacing with the following:

- Task 1.3 Deliverables – Well Rehabilitation Recommendations Report
- Task 2.1 Deliverables – Development of Bidding Documents
- Task 2.2 Deliverables – Bidding and Contracting Assistance

2. Vendor: Can you confirm if a hydrogeologic investigation/report is required under Task 2? We plan to use the well logs and drawdown data in the PER as the starting point for the Task 1.

Department: Hydrogeologic investigation / report is not required.
