Email: christopher.brooks@alaska.gov

The following language is added to the scope of work:

Warranty

The Contractor shall warrant all work, including materials, subcontracted work, and equipment furnished as part of the construction, to be free from defects in material and workmanship. The warranty period shall last for one year from the date of Substantial Completion. If, within one year after the date of Substantial Completion of the work, any work found to be defective or not in accordance with the contract documents shall be promptly corrected by the Contractor after receiving notification from the owner to do so. Nothing in this warranty is intended to limit any manufacturer's warranty which provides the owner with greater warranty rights.
