

STATE OF ALASKA
DEPARTMENT OF NATURAL RESOURCES
Division of Mining, Land and Water

Northern Region Land Office,
Fairbanks
(907) 451-2740

Southcentral Region Land Office,
Anchorage
(907) 269-8503

Southeast Region Land Office,
Juneau
(907) 465-3400

The Department of Natural Resources, Division of Mining, Land and Water's (DMLW) regional land offices are responsible for managing state land and resources. Certain activities on state land require a land use permit, while other activities are considered "generally allowed" or require other authorizations. Commercial recreation facilities that remain no longer than 14 days in any one site may obtain a commercial recreation permit rather than a land use permit. Additional information and forms are available online or at any Division of Mining, Land and Water regional land office and the Public Information Centers in Anchorage and Fairbanks. The following text describes information that is required to be filled out by applicants for your application to be considered complete.

Land Use Permits:

- Authorize the temporary use of state land or resources;
- can be issued for up to five years;
- do not convey any interest in state land;
- are revocable with or without cause;
- are not transferable; and
- do not constitute waiver of any other state, federal, or local laws.

Complete Land Use Permit Application Packages include the following documents:

- A Land Use Permit application form completed and signed by the applicant;
- A completed Supplemental Questionnaire for Use of State-Owned Uplands if the use or activity includes use of state-owned uplands - **including a Site Development Diagram**;
- A completed Supplemental Questionnaire for Off-Road Travel if the use or activity includes travel by or with means that exceed those that are generally allowed; and/or
- A completed Supplemental Questionnaire for Use of State-Owned Waters (Shorelands, Tidelands, and Submerged Lands) if the use or activity includes uses on tide and submerged lands below the mean high tide line in marine environments or uses on state-owned shorelands below the ordinary high-water line in freshwater environments - **including a Site Development Diagram**.
- A Site Development Diagram showing each item labeled so that it corresponds with your description in the Questionnaire. The Site Development Diagram must include:
 - **Location** - Section, Township, and Range lines; North arrow; scale; title; and include a legend (these items may be attached if necessary).
 - **Boundaries** - Boundaries and dimensions of proposed area of use and their relation to geographic features, including water bodies, and existing trails or rights-of-way.
 - **Structures and Storage** - Location and dimensions of buildings, tent platforms, out-buildings and other improvements, and of equipment parking and storage areas, including snow storage areas.
 - **Hazardous substances** - Location and dimensions of storage facilities for hazardous substances, including but not limited to oil, lubricants, fuel oil, gasoline, solvents, and diesel fuel. Include method and dimensions of storage (tank, drum, etc.).

Other items that must accompany the application package include:

- **Map** - a topographic map or aerial photo of sufficient scale to show the location of the proposed activity.
- **Filing Fees** - A non-refundable filing fee required by regulation (11 AAC 05.010(5)(B)). See the current Director's Fee Order for applicable fees. Make checks payable to the "State of Alaska".
- **Other Miscellaneous Items:** Items specifically identified and required in any of the supplemental questionnaires.

Completed Land Use Permit Applications must be submitted electronically to an email address below or mailed to one of the following offices closest to the proposed use or activity on state lands:

Northern Region Land Office
3700 Airport Way
Fairbanks, AK 99709-4699
(907) 451-2740
nro.lands@alaska.gov

Southcentral Region Land Office
550 West 7th Ave, Suite 900C
Anchorage, AK 99501-3577
(907) 269-8503
dnr.scro.permitting@alaska.gov

Southeast Region Land Office
P. O. Box 111020
Juneau, AK 99811-1020
(907) 465-3400
sero@alaska.gov

Statewide TTY – 771 for Alaska Relay or 1-800-770-8973

Prior to issuance of a permit, an applicant is required to submit one or more of the following:

- **Use Fees** - The use fee depends on the type of activity, length of use and the acreage authorized for use. See the current Director's Fee Order or contact your regional office for applicable fees.
- **Performance Guaranty (Bond)** - A performance guaranty is held by the state to incentivize performance and to pay for corrective action if the use of state land fails to comply with the requirements of the permit. Acceptable types of performance guaranties include:
 - cash or check made out to the State of Alaska;
 - a Certificate of Deposit (CD) in the state's name; or
 - a corporate surety bond.
- **Insurance** – Proof of insurance to protect you and the state from liabilities incurred through the use of state land.
- **Survey and Location** - Surveys are generally not required for land use permits. Many authorizations require a Global Positioning System (GPS) to determine the location of the project. If we determine a survey is required, we will contact you.

ONLY COMPLETE APPLICATIONS WILL BE ACCEPTED

STATE OF ALASKA DEPARTMENT OF NATURAL RESOURCES
Division of Mining, Land and Water

LAND USE PERMIT APPLICATION

AS 38.05.850

Applicants must complete all sections of this application. In addition, applicants proposing:

- the use of the uplands must also complete the Supplemental Questionnaire for Use of State-Owned Uplands accompanying this application;
- off-road travel must also complete the Supplemental Questionnaire for Off-Road Travel accompanying this application; and/or
- the use of shorelands, tidelands, and submerged lands must also complete the Supplemental Questionnaire for Use of State-Owned Waters accompanying this application.

Other items that must accompany the completed application are:

- a (non-refundable) application fee; see current Director's Fee Order or contact your regional office for applicable fees;
- a topographic map or aerial photo showing the location of the proposed activity;
- additional items identified and required in any supplemental questionnaire(s) to this application; and
- additional pages if more space is necessary to answer the questions completely.

Completed Land Use Permit Applications should be submitted electronically or mailed to one of the following offices:

Northern Region Land Office
3700 Airport Way
Fairbanks, AK 99709-4699
(907) 451-2740
nro.lands@alaska.gov

Applicant Information:

Name: Patrick Murphy

Doing Business As: Granite Construction

Mailing Address: 11471 Lang St
Anchorage, AK 99515

Email Address: patrick.murphy@gcinc.com

Date of Birth: 06-09-1988

Business License #: 193369

EIN: 94-0519552

Contact Person: Patrick Murphy

Home Phone: _____

Work Phone: 9072230123

Cell Phone: _____

Fax: _____

If you are applying for a corporation, give the following information:

Name, address and place of incorporation:

Granite Construction Company
585 W Beach Street
Watsonville, CA 95077-5085

Is the corporation qualified to do business in Alaska? Yes ☐ No ☐

If yes, provide name, address and phone number of the resident agent:

Granite Construction Company
11471 Lang St
Anchorage, AK 99515

Type of User (Select One): ☐ Private non-commercial (personal use) ☐ Commercial Recreation or Tourism
☐ Public Non-profit including Federal, State, Municipal Government Agency ☒ Other commercial or industrial

Duration of Project: The proposed activity will require the use of state land for: **(Check one)**

☐ A single term of less than one year. **Beginning month:** _____ **Ending month:** _____
☐ A multi year term for up to 5 years. **Beginning year:** 2026 **Ending year:** 2031

If multi year and seasonal, mark months of use in each year.

☒ Jan, ☒ Feb, ☒ Mar, ☒ Apr, ☒ May, ☒ Jun, ☒ Jul, ☒ Aug, ☒ Sept, ☒ Oct, ☒ Nov, ☒ Dec

Project Location:

Latitude/Longitude or UTM: _____ or

Section: 36 **Township:** 014S **Range:** 007W **Meridian:** F

Section: _____ **Township:** _____ **Range:** _____ **Meridian:** _____

Proposed project will require the use of up to 13.2 acres.

(Please add additional sheets for this section as necessary)

LAS #: LAS 34811

Project Description: Describe in detail your intended use of state land. (State land also includes all tide and submerged lands beneath coastal waters and all shorelands beneath other navigable waterbodies of the state.) Discuss development and activities. (Attach additional pages as necessary.)

The intended use for the land will be for staging materials, transloading equipment and various construction materials for the Polychrome Pass Bridge Project and any other projects we have in the area. We also intend to have a small mobile field office if we will have people in and out over an extended period of time.

Should a portion of the permitted area be closed to the general public? Yes ☒ No ☐ .

If yes, explain which portion and provide justification for exclusive use.

Granite will be actively parking, spotting, unloading and loading trailers with materials and equipment up to 7 days a week as needed. Allowing public access and use of the area would pose a significant safety and security risk.

Site Description: Briefly describe the current condition of the proposed site of use, noting any trash, garbage, debris or signs of possible site contamination. (If significant, we recommend you provide pictures to establish initial conditions.) We are currently using the proposed site as a laydown yard for our polychrome bridge project inside the national park.

LAS #: LAS 34811

Are there improvements or materials on the site now? **Yes** ☒ **No** ☐ **If yes**, briefly describe the improvements, their approximate value, and who owns them. (We recommend you provide pictures of improvements.)
Materials are staged on site. Granite office, equipment, and construction materials.

Describe the natural vegetation – ground cover, trees, shrubs – and any proposed changes. Describe the location of any estuarine, riparian, or wetlands and any noticeable animal use of area.

The site is a gravel pit, it is generally void of vegetation besides a light amount of seasonal grass growth. Granite does not intend to make changes to the vegetation.

Site Access: Describe how you plan to access the site, and your mode of transportation.

We plan to access the site through the existing approach from Yanert Road. Mode of transportation is highway tractor trailers, light duty pickups and cars.

If your access is by aircraft, specify the type and size of aircraft:

NA

To access the site, the aircraft is equipped with **floats** ☐ **wheels** ☐ **skis** ☐.

Number of people:

1. Indicate the number of employees and supervisors who will be working on the site. 0-10
2. Indicate the number of customers who will be using the site per year or season. 1
3. Indicate the number of days the site will be used per year or season. 250

LAS #: LAS 34811

Environmental Risk / Hazardous Substances: In the course of your proposed activity will you generate, use, store, transport, dispose of, or otherwise come in contact with toxic and/or hazardous materials, and/or hydrocarbons?

Yes ☒ No ☐ . If yes, please describe:

Equipment will be fueled onsite.

The types and volumes of fuel or other hazardous substances present or proposed:

Diesel will be transferred from a fuel truck into the equipment fuel tanks. Estimated quantities could be up to 250 gallons per day when a project is running in the area.

The specific storage location(s):

Diesel will not be stored on site in the form of a dedicated storage tank. It will be inside the equipment fuel tanks.

The spill plan and prevention methods:

Duck ponds and spill kits will be present with equipment.

If you plan to use either above or below ground storage containers (like tanks, drums, or other containers) for hazardous material storage, answer the following questions for each container:

Where will the container be located?

Hazardous materials are not anticipated to be stored on site.

What will be stored in the container?

NA

What will be the container's size in gallons? NA

LAS #: LAS 34811

Give a description of any secondary containment structure, including volume in gallons, the type of lining material, and configuration:

NA

Will the container be tested for leaks? Yes ☐ No ☐.

Will the container be equipped with leak detection devices? Yes ☐ No ☐. If no, describe:

NA

Do you have any reason to suspect, or do you know if the site may have been previously contaminated?

Yes ☐ No ☒. If yes, please explain:

NA

LAND USE PERMIT APPLICATION SUPPLEMENTAL QUESTIONNAIRE FOR: Off Road Travel

Answer the following questions if your proposed activity includes off-road travel:

Terrain: Check the following terrain type(s) that best describes your route of travel:

- ☐ Wetlands
- ☐ Open, non-tundra or wetland areas
- ☐ Rivers or other waterbodies
- ☐ Wooded areas with trees of 6" or greater diameter (at breast height)
- ☐ Tundra areas

Vehicles and Weight: List the number and kinds of vehicles to be used for motorized travel, the weight of each vehicle and the weight of each trailer or sled (including loaded weight) to be carried by that vehicle:

Mileage:

- State the average total miles traveled in one round trip: _____
- State the number of trips proposed: _____

Season: Proposed date(s) of travel will be: **From:** _____ **To:** _____

Stream and Waterbody Crossings: Note who you contacted in the ADF&G, Division of Habitat:

Date: _____ Person: _____

Fuel and Hazardous Substance Factor: The volume of fuel and hazardous substances to be used is the total volume in gallons to be carried on one vehicle and any trailers or sleds that vehicle is towing.

- Maximum volume of fuel (in gallons) that is being transported by one vehicle and any trailers or sleds it is towing: _____ gallons.
- Hazardous substances other than fuel:

Substance: _____

Substance: _____

LAS # _____

- Do you have an Oil Discharge Prevention and Contingency Plan approved by the Alaska Department of Environmental Conservation? **Yes** ☐ **No** ☐
 - Do you have either a trained spill response team or a contract with a spill response company? **Yes** ☐ **No** ☐
-

LAND USE PERMIT APPLICATION SUPPLEMENTAL QUESTIONNAIRE FOR: Use of State-Owned Uplands

To be completed to provide more detailed information about projects or activities requiring the use of state-owned uplands. All site development details identified in this section must be represented graphically in the scaled drawings on Page 6 of the supplement.

Temporary Structures

1) Describe all temporary improvements (including buildings, tent platforms, out-buildings, docks, floats, and floating facilities), including dimensions and building materials. **2)** Label improvements to be maintained on a year round basis as year round. **Note:** Seasonal improvements must be completely dismantled and removed or stored on or before the end of authorized terms of use.

1 EA Temporary mobile office trailer. size 10'x40'x12'.

4 EA porat a johns

Distance structures including pit privies will be located from the ordinary highwater mark of the nearest freshwater body (lake, stream, river, etc.), or the mean high water mark of a saltwater body: _____

Harvest of Non-Timber Related Forest Products

Please list the type and quantity of each non-timber related forest product (berries, ferns, willow, mushrooms, birch bark, etc.) to be harvested for commercial use:

NA

Contact the DNR Division of Forestry to obtain authorizations for the harvest of small trees.

Motorized Equipment

List mechanized/motorized equipment to be used, including type, size, purpose, and number of each.

unload and load materials: 1 EA CAT 980 Loader or similar, EA CAT TL 1255 Telehandler or similar, 1 EA - CAT 299 Skidsteer loader or similar.

For stream and waterbody crossings, note who you contacted in the ADF&G, Division of Habitat:

Date: NA Person: NA

LAS # LAS 34811

Land Use Permit Application Supplemental Questionnaire for
Use of State-Owned Uplands – Form 102-1084D (Rev 09/21)

Storage and Parking

If you plan to store items or park boats, vehicles and/or heavy equipment on the site, complete the following:

Describe and give dimensions of long term and short-term parking and or storage areas:

Mobile Office Trailer: L40' X W10' X H13' - parked for the duration of project.

CAT 980 Loader: 37' X 12.5' X 14' - parked during off hours

CAT 299 Skidsteer loader: 12' X 8' X 7' - parked during off hours

CAT TL 1255: 15' X 8' X 7'

Is parking and storage planned to take place on filled tidelands? **Yes** ☐ **No** ☒

Does storage involve structures or materials floating in a waterbody? **Yes** ☐ **No** ☒

If yes, please complete the Supplemental Questionnaire for the Use of State-Owned Waters (Shorelands, Tidelands & Submerged Lands).

Number of disassembled tent frames _____ Number of tent platforms _____

List and describe items that are large and difficult to transport. Include dimensions:

NA

Will barrel(s) or an equivalent type of container be used? **Yes** ☐ **No** ☒

If using something other than barrels for storage containers, describe the alternative container.

Materials will be palletized or in a conex containers while on site.

Describe any measures you plan to take to minimize drips or spills from leaking vehicles or equipment.

Duck ponds will be placed under parked equipment

LAS # LAS 34811

Land Use Permit Application Supplemental Questionnaire for
Use of State-Owned Uplands – Form 102-1084D (Rev 09/21)

Water / Wastewater

Water Supply: Describe the water supply and proposed use.

Duck ponds will be placed under parked equipment

Wastewater: Describe the wastewater type and quantity and proposed method of wastewater disposal: (for the marine environment, also describe the proposed gray and black water systems or out fall pipeline.

Wastewater from port a johns will be removed by commercial truck

Waste: Describe the types of waste that will be generated on-site, including solid waste, the source of the waste, and the method of waste disposal, i.e. pit privy, or self-contained system, or outfall line; indicate distance from the nearest waterbody.

Waste from port a johns will be removed by commercial truck

Animal Use

Will there be any use of animals (horses, llamas, dogs, etc.)? Yes ☐ No ☒

Will there be commercial use of the animals (horseback rides, packing, dog sled rides, etc.)? Yes ☐ No ☒

If yes, please explain:

LAS # LAS 34811

Land Use Permit Application Supplemental Questionnaire for
Use of State-Owned Uplands – Form 102-1084D (Rev 09/21)

Dismantle, Removal, Restoration Plan

Provide a plan for dismantling and removing temporary structures. Include method and timeline for total site restoration:

Since this is intended to be a staging area, all materials and equipment will be mobile or easily transported. All materials, equipment and mobile office will be removed from site prior to end of project use. Grading activities are not anticipated so site resoration will not be necessary.

Short Term (Portable) Commercial Recreation Camps

Identify commercial recreation activity/activities for which short term (portable) camps will be established to accommodate employees and clients, and provide a general description of the location(s) (e.g. guide use area, game management sub-unit, river, stream, lake, etc.) where the recreational activity/activities and short term (portable) camp use will occur.

- ☐ **Big Game Guiding (List up to 3 Guide Use Areas).**

- ☐ **Sportfishing (List river corridors, lakes, etc.).**

- ☐ **Boating/Rafting/Kayaking (List river corridors, lakes, etc.).**

☐ Other Recreation (Type and general geographic description).

Identify any State of Alaska Refuge, Sanctuary and/or Critical Habitat Area where short term (portable) camps will be used.

Will activities include "day use" of state land managed under the Haines State Forest Management Plan? Yes ☐ No ☐

This form must be filled out completely and submitted with the applicable fees. Failure to do so will result in a delay in processing your permit. AS 38.05.035(a) authorizes the director to decide what information is needed to process an application for the sale or use of state land and resources.
